As the province's largest energy provider with more than 100 years of knowledge and experience, we proudly deliver renewable energy, natural gas, electricity and propane to 1.3 million customers.

We're actively seeking new talent to join our mission of delivering a stronger energy future in B.C. As one of BC's Top Employers with a diverse team of over 2,800 employees, we are committed to a safe and inclusive culture where each of us can connect, belong, and grow. Join us, and together, let's shape a brighter future for B.C.

Responsibilities

Under the direction of the Manager and IS Operations Lead, this co-op student will be responsible for:

- First level technical support for all FortisBC personal computing and related equipment.
- Perform upgrades, installations, and preventive maintenance tasks.
- Loading and configuring of laptops and desktops for end user deployment.
- Update corporate software records and documentation.
- Provide support to the IS project teams.
- Action user support requests.

Job Requirements

Requirements

- Enrolled in a Computer Information Systems or equivalent program.
- Enrolled in a Co-op program.
- Microsoft experience.
- Network infrastructure training - Cisco.
- IP telephony training.
- Valid driver's license

Additional Information

This is a full-time temporary student co-op opportunity with an 8 month term starting in May 2026.

Our engaging workplace offers a wide range of challenging opportunities, while being safe, inclusive, and diverse. We offer a competitive salary and benefits package, while supporting life-long career development. We also encourage volunteerism and nourish the need to give back to your community.
