#### **Job Description**

If you are looking for hands-on, real-world experience in a supportive, diverse, and fast-paced environment, JDI IT is the challenge for you. A work term here will provide you with an experience that will stretch your abilities, build your curiosity, and grow your resume in a way that is unique in the Maritimes. You will work as a part of the Data Analytics and Business Intelligence teams collaborating with Business Analysts to develop reporting and insight capabilities.

#### **Responsibilities**

- Hands on experience with interpreting data, analyzing results using statistical techniques and providing ongoing reports and dashboards
- Opportunity to work on projects and changes supporting multiple lines of business
- Job shadowing opportunities and establishment of mentor relationships?
- Hands on and practical experience with:
- Acquiring data from varying sources and application of data cleansing
- Identification, analyzation, and interpretation of trends or patterns in complex data sets
- Creation of data driven presentations for varying audience levels

#### **About the Team**

The belief that what people experience matters more than technology is part of our foundational core. We also believe that our ability as a team grows exponentially when we share success. These centering values - some of our non-negotiables - guide our decisions and inform how we show up daily. Join a team that aims to simplify the path forward and inspire commitment. With over 380 employees centralized in Saint John, Fredericton, Dieppe and Halifax, we offer the opportunity to create real value

by helping people and businesses work smarter. **JDI IT** supports the entire J.D. Irving Limited group of companies which means we offer opportunities and experiences across a wide breadth of IT areas, businesses and industries. As a member of the JDI IT team, you will be a key player in enabling the business to win by overcoming obstacles and "getting it done"!

We believe in the power of diverse teams and invest in continuous professional growth. We are seeking naturally curious change makers looking to join a collaborative and motivated team. Come help JDI IT Raise the Bar!

### About Us

Founded in 1882, J.D. Irving, Limited (JDI) has operations in Canada and the United States and are a team of 20,000 dedicated employees. At J.D. Irving, Limited, you are part of a dynamic team of professionals who lead with integrity and are passionate about delivering results. With a culture that nurtures talent and creates an inclusive workplace, you can grow your career across our various operating divisions.

We are committed to creating accessible environments for our colleagues, candidates, and customers. Requests for accommodation due to a disability (which may be visible or invisible, temporary, or permanent) can be made at any stage of application and employment. We encourage candidates to make their accommodation needs known so that we can provide equitable opportunities.

Worried you do not meet all the requirements? Studies have shown that many applicants apply only to job opportunities when they feel they meet 100% of the criteria. We promote an inclusive environment where everyone is appreciated, recognized, and empowered to contribute fully. If you are interested in this position but are worried you did not meet all the requirements, we would encourage you to still apply.

We appreciate your interest in our company however only those candidates selected for an interview will be contacted.
