Job Description	

Your responsibilities

As a part of our team, you will:

- Locate hardware boards, test setups, cables, and related equipment for HW, SW, Test, and Customer teams.
- Support lab moves, additions, and modifications to keep environments organized and operational.
- Set up PCs and workstations and assist with equipment relocation within the lab.
- Maintain, repair, and configure third-party test and measurement instruments.
- Manage equipment calibration processes to ensure accuracy and compliance.
- Investigate network issues and replace defective or malfunctioning networking equipment.
- Maintain a clean, safe, and organized lab environment for all users.
- Coordinate the return shipment of rental test equipment that is no longer required.

Job Requirements

Your skills and experience

- Currently a candidate for a Bachelor's degree or Diploma in Computer Systems, Computer Engineering, Electronics Engineering, Electrical Engineering, or a related technical field at an accredited school in Canada.
- Strong computer skills with the ability to learn new tools and systems quickly.
- Effective interpersonal and communication skills for collaborative work environments.
- General knowledge of telecommunications products, technologies, or network concepts.

More information

Some of our benefits for students in Canada:

- Flexible and hybrid working schemes to balance work and life
- Professional development events and networking opportunities
- Campus perks designed to make your student experience enjoyable and social, such as access to an onsite cafeteria, free employee parking, complimentary fitness centre, and sports facilities (volleyball, basketball, pickleball courts, ping pong, and employee leagues)
- Well-being programs, including Personal Support Service 24/7 - a confidential support channel open to all Nokia employees and their families in challenging situations
- Opportunities to join Nokia Employee Resource Groups (NERGs) and connect with people who share your passions and values
- Employee Growth Solutions, mentorship programs, and coaching support for your career development
- A learning environment that fosters both personal growth and professional development - for your role and beyond

Citizenship Requirement N/A
