Who We Are

Konrad is a next generation digital consultancy. We are dedicated to solving complex business problems for our global clients with creative and forward-thinking solutions. Our employees enjoy a culture built on innovation and a commitment to creating best-in-class digital products in use by hundreds of millions of consumers around the world. We hire exceptionally smart, analytical, and hard working people who are lifelong learners.

About The Role

As a Software Developer Intern you'll be paired up with a mentor working on both the front end and back end of our web or mobile applications. Working within the software development team, your duties will require you to assist in the development of consumer and enterprise applications. This role is ideal for entry level developers who feel confident in their technical ability and want to contribute to and learn from the highly-skilled development team at Konrad for the duration of their internship.

What You'll Do

- Write maintainable, testable, and performant software in collaboration with our world class team
- Participate in code review and performing extensive testing to ensure high quality software
- Research new technology and tools and share those findings with the team
- Communicate clearly and effectively with all members of our team

Perks and Benefits

- Mentorship Program
- Campus Ambassador Program
- Service Recognition Programs
- Socials, Outings & Retreats
- Culture of Learning & Development
- Flexible Working Hours
- Work from Home Flexibility

Bonus Points

Have you taken any courses at BrainStation? A lot of our design and development best practices and processes are taught during our courses - make sure to highlight this experience in your cover letter if you have!

Konrad is committed to maintaining a diverse work environment and is proud to be an equal opportunity employer. All qualified applicants, regardless of race, color, religion, gender, gender identity or expression, sexual orientation, national origin, genetics, disability, age, or veteran status will receive consideration for employment. If you have any accessibility requirements or concerns regarding the hiring process or employment with us, please notify us so we can provide suitable accommodation.

While we sincerely appreciate all applications, only those candidates selected for an interview will be contacted.
