**Job Description**

#### **We help the world run better**

At SAP, we enable you to bring out your best. Our company culture is focused on collaboration and a shared passion to help the world run better. How? We focus every day on building the foundation for tomorrow and creating a workplace that embraces differences, values flexibility, and is aligned to our purpose-driven and future-focused work. We offer a highly collaborative, caring team environment with a strong focus on learning and development, recognition for your individual contributions, and a variety of benefit options for you to choose from.

#### **About the SAP Internship Experience Program**

The SAP Internship Experience Program is SAP's global, strategic, paid internship program that provides university students with opportunities to find purpose in their careers.

#### **Three reasons to intern at SAP**

- 1. Culture of collaboration:** meet with mentors, make new friends across the globe and create a thriving personal network.
- 2. Project-driven experience:** gain cross-functional skills from our virtual and in-person learning sessions, diverse subject matter experts, and project deliverables.
- 3. Gain visibility:** with SAP Internship Experience Program in your title, you'll have a global network of SAP leaders, entrepreneurs and career development opportunities at your fingertips.

#### **What you'll do**

- Position Title: SAP iXp Intern - Concur Spend Software Developer
- Location: Vancouver, BC
- Expected Start Date: 2 September 2025
- Contract Duration: 8 months

- Work Hours: 40 hours/week

In this role, you'll:

- Gain technical, organizational, and soft-skills.
- Have a mentor throughout your internship who is there to help you at work and give you career advice when you seek it.
- Drive, design, and develop new features by working with your agile team, product owner, user experience and quality engineering to elaborate on features, estimate task time, and then write high-quality code.
- Work in a scrum development project model, with a daily scrum meeting, and two-week sprints with refinement, sprint planning, and demos.
- Participate actively in the gathering of requirement, design, and code reviews.
- Interact effectively with team members from diverse cultural backgrounds and working in different locations.
- Enjoy a strong technical environment where all members of the engineering team, including your development manager, are close to the code, and making technical contributions.
- Your work will contribute to improving the SAP Concur Expense administration experience.

### **Meet your team**

- With 98 million users worldwide, SAP Concur is the world's leading travel and expense management software.
- SAP Concur Expense Engineering is a global engineering team with agile teams in 7+ locations around the globe.
- The Vancouver team's focus is on mid-market business and enterprise customers. Our goal is to make the experience of setting up and administering SAP Concur Expense as quick and intuitive as possible for the customer.
- We adopt an agile software development model and develop software as a micro-service and deliver at a frequent cadence to multiple data centers.

### **Bring out your best**

SAP innovations help more than four hundred thousand customers worldwide work together more efficiently and use business insight more effectively. Originally known for leadership in enterprise resource planning (ERP) software, SAP has evolved to become a market leader in end-to-end business application software and related services for database, analytics, intelligent technologies, and experience management. As a cloud company with two hundred million users and more than one hundred thousand employees worldwide, we are purpose-driven and future-focused, with a highly collaborative team ethic and commitment to personal development. Whether connecting global industries, people, or platforms, we help ensure every challenge gets the solution it deserves. At SAP, you can bring out your best.

### **We win with inclusion**

SAP's culture of inclusion, focus on health and well-being, and flexible working models help ensure that everyone - regardless of background - feels included and can run at their best. At SAP, we believe we are made stronger by the unique capabilities and qualities that each person brings to our company, and we invest in our employees to inspire confidence and help everyone realize their full potential. We ultimately believe in unleashing all talent and creating a better and more equitable world.

SAP is proud to be an equal opportunity workplace and is an affirmative action employer. We are committed to the values of Equal Employment Opportunity and provide accessibility accommodations to applicants with physical and/or mental disabilities. If you are interested in applying for employment with SAP and are in need of accommodation or special assistance to navigate our website or to complete your application, please send an e-mail with your request to Recruiting Operations Team: [Careers@sap.com](mailto:Careers@sap.com).

For SAP employees: Only permanent roles are eligible for the SAP Employee Referral Program, according to the eligibility rules set in the **SAP Referral Policy**. Specific conditions may apply for roles in Vocational Training.

### **EOE AA M/F/Vet/Disability:**

Qualified applicants will receive consideration for employment without regard to their age, race, religion, national origin, ethnicity, age, gender (including pregnancy, childbirth, et al), sexual orientation, gender identity or expression, protected veteran status, or disability.

SAP believes the value of pay transparency contributes towards an honest and supportive culture and is a significant step toward demonstrating SAP's commitment to pay equity. SAP provides the hourly base salary rate range applicable for the posted role. The targeted range for this position is 24-35 CAD. The actual amount to be offered to the successful candidates will be within that range, dependent upon the key aspects of each case which may include education, skills, experience, scope of the role, location, etc. as determined through the selection process. SAP offers limited benefits for employees hired into hourly or like roles subject to applicable plan/policy terms. ## **Job Requirements**

### **What you bring**

We're looking for someone who takes initiative, perseveres, and stay curious. You like to work on meaningful innovative projects and are energized by lifelong learning.

Education: Computer Science or Engineering or a related technical field.

Eligibility: Must be currently enrolled, or recently graduated (start date must be within 6 months of graduation date) from a coding academy/bootcamp, apprenticeship, associate, bachelor's, master's or JD/PhD program.

Required experience and qualifications:

- The ability to solve technical computer problems by writing actual working code; this is very much a hands-on position.
- The ability to work independently, as well as in a team.
- Good people skills.
- **Can commit to an 8-month full-time internship.**

Desirable experience and qualifications:

- Java, Web development (JavaScript, CSS, HTML, React, Redux, GraphQL, Node.js), Linux, SQL databases, developer-written testing, Git, Docker, Jenkins, Kubernetes, AWS.
- Evidence of excellence in some capacity (could be via personal projects, exceptional success in some endeavor, etc.)
- Good written and verbal communication skills in English.
- **For all applications, we encourage you to upload a copy of your transcript alongside your resume.**

**Citizenship Requirement** N/A

## APPLICATION INFORMATION

**Application Procedure** Through Employer Website

**Cover Letter Required?** Yes

**Address Cover Letter to** Hiring Manager

### Special Application Instructions

**Please click the "I intend to apply to this position" button on SCOPE and also submit your application via the employer's website.**
