**Position Type** Co-op Position  
**Job Location** Burnaby, BC  
**Country** Canada  
**Duration** 4 months  
**Salary Currency** CAD  
**Salary** Salary Not Available, 0 Major List  
**Salary Range \$** \$21-\$26 / hour, based on applicable education and experience.  
**Job Description**

**Data Analyst (Co-op)**  
ID 2025-2708

**Preferred Co-op Term: 4 months (Starting September 2025)**

**Location: Mississauga, ON or Burnaby, BC**

**Maple Reinders Constructors** is currently searching for a **Data Analyst (Co-op Student)** to join our operations team. As a Data Analyst (Co-op Student) in our operations division, you will have the opportunity to mine and analyze construction project and financial reporting data stored in various spreadsheets, identify trends, issues and opportunities to improve effectiveness & efficiency. As Maple Reinders is a growing organization, we are continually winning new work, larger projects and with that come new experiences and new challenges.

#### **As a Data Analyst (Co-op Student) you will be involved in the following tasks:**

- Design, build and maintain analytical models that mine large sets of structured and semi-structured data looking for unique insights and correlations.
- Applies intellectual curiosity and deep analytical thinking to mine large data sets for insight and correlation.
- Develop analysis to illustrate business trends and identify areas of business opportunities.
- Distil data into findings and prepare results for presentation to management for decision making.
- Engage stakeholders to understand informational pain points and drive analytics solution that address them.

**Pay Rate:** \$21-\$26 / hour, based on applicable education and experience.

We want you to succeed and we are prepared to get you there by investing in you.

If you are interested in a career with Maple Reinders, please submit your resume. Only those selected for an interview will be contacted.

*Maple Reinders is an equal opportunity employer and supports employment equity and diversity in the workplace. We encourage*

*applications from all qualified individuals including women, visible minorities, Indigenous Peoples, persons with disabilities, and others who reflect our ever-changing workplace. Upon request, Maple Reinders accommodates candidates with disabilities throughout the hiring process.*

## **Job Requirements**

**To be considered for this role you will have and or be:**

- A full-time student enrolled in a related post-secondary program of study
- Recent graduate of a University Degree in Civil Engineering, Construction Management or Business Management
- Excellent communication and presentation skills.
- Experience working in Microsoft Excel, database management, and performing data manipulation and reporting.

### **General Expectations:**

- Travel will be required on a case basis.

We want an individual who will embody Maple Reinders core values of:

- **People-** Supporting our people to thrive.
- **Integrity-** Doing the right thing without compromise.
- **Relationships-** Building trust with clients & partners.
- **Stewardship-** Caring for communities & the environment.
- **Ingenuity-** Embracing challenges. Encouraging ideas. Engineering solutions.

**Citizenship Requirement** N/A
