Job Description

Req ID: R-0000137115

Job Description

What is the opportunity?

Are you interested in the opportunity to work as a **Quality Engineering** or **Automation Student** at RBC? By applying to this job posting, you will be considered for multiple roles available across RBC Technology & Operations.

Some exciting types of roles you'll be considered for are:

- Quality Engineer
- Automation Analyst

What will you do?

- Assist with the development of automated test plans & solutions to meet clients' growing needs for automation and enhancing process controls & governance.
- Create plans for, update, and execute QA testing.
- Support programming testing tools for internal use.
- Maintain and provide accurate testing status reports during testing phases.
- Maintain documentation of test results according to defined tools.
- Support of upgrades to the testing environment.
- Automate reporting processes by using the combination of tools of Blue Prism, VBA and SQL.
- Apply data warehouse concepts and methodologies to various projects.
- Confirm that projects adhere to development standards and guidelines.

What's in it for you?

We thrive on the challenge to be our best, progressive thinking to keep growing, and working together to deliver trusted advice to help our clients thrive and communities prosper. We care about each other, reaching our potential, making a difference to our communities, and achieving success that is mutual.

- Network and build lasting relationships with students from diverse backgrounds from across Canada.
- Participate in fun events and gamification challenges to help build your career tool kit while enjoying a work-life balance.
- Leaders who support your development through coaching and learning opportunities.
- Work in a dynamic, collaborative, progressive and highly performing team
- Ability to make a difference and lasting impact.
- Enjoy a comfortable work environment with the option to dress casually.

We encourage you to apply as soon as possible as we accept applications on a **rolling basis**, but please note that the formal application deadline is **September 14, 2025**. Should you be selected to progress, someone from our team will reach out directly to provide instructions on next steps. Otherwise, feel free to check for progress updates by logging in to your RBC profile. If the status has not changed, it denotes the fact that your application is still under review.
