*About the job*

Looking to launch your career at the cutting edge of healthcare? Join Sanofi for a chance to develop with mentoring and guidance from inspirational leaders while helping to make an impact on the lives of countless people worldwide. As *Co-Op Student - B200 Quality Operations* in our B200 Quality Operations Department, you will learn to perform and support daily functions.

*The Building 200 Quality Operations department supports Industrial Affairs manufacturing operation to ensure compliance with Regulatory and Global Quality policies and cGMP standards. The department is responsible for ensuring all quality related activities for the B200 project phase are developed, managed, followed and sustained for eventual routine manufacturing operations.*

We are an innovative global healthcare company with one purpose: to chase the miracles of science to improve people's lives. We're also a company where you can flourish and grow your career, with countless opportunities to explore, make connections with people, and stretch the limits of what you thought was possible. Ready to get started?

**Main responsibilities:**

- Compilation of information to confirm compliance status of manufacturing equipment and facility qualification
- Management of department databases for status of various GMP documentation (i.e. SOPs, electronic batch records, facility, material and personnel flow, technology transfer, non-conformances/deviations)
- Prepare presentations (i.e. metrics summary; use of PPT) and good presentation skills
- Technical report writing?
- Mechanical aptitude and interest in understanding/learning automated and semi-automated equipment
- Training material development
- Facility material and personnel flow development
- Comfortable with doing AI searches
- Comply with requirements from Sanofi's Safety Program including Health and Safety regulations

**Why choose us?**

- Bring the miracles of science to life alongside a supportive, future-focused team.
- Discover endless opportunities to grow your talent and drive your career, whether it's through a promotion or lateral move, at home or internationally.
- Enjoy a thoughtful, well-crafted rewards package that recognizes your contribution and amplifies your impact.

**Pursue Progress. Discover Extraordinary.**

Progress doesn't happen without people - people from different backgrounds, in different locations, doing different roles, all united by one thing: a desire to make miracles happen. You can be one of those people. Chasing change, embracing new ideas and exploring all the opportunities we have to offer. Let's pursue progress. And let's discover extraordinary together.

At Sanofi, we provide equal opportunities to all regardless of race, color, ancestry, religion, sex, national origin, sexual orientation, age, citizenship, marital status, disability, or gender identity.
