Job Description

Job Title: Application Developer Co-op

Job ID: 2601391

Application Deadline: February 1, 2026

What you'll be doing

Join our CIBC Technology Operations team as an Application/Software Developer Co-Op and have a real impact in making our clients' ambitions a reality! This is a great opportunity to be a part of an innovation-focused team that is helping to drive CIBC's digital transformation by developing, testing, and delivering easy to use, flexible, and personalized banking solutions. You will provide application or infrastructure technical expertise as needed for projects and initiatives related to the implementations. You'll have an opportunity to assist in developing, scripting, and supporting the implementation of cross-functional, multi-platform application systems. Be part of an innovation-focused team that creates easy, flexible, and personalized banking solutions to enhance client experience and change the way that people bank.

At CIBC we enable the work environment most optimal for you to thrive in your role. Details on your work arrangement (proportion of on-site and remote work) will be discussed at the time of your interview.
