#### Job Description

Job Title: Information Technology Student

Requisition: 9330

#### The future you want is within reach.

At PCL, we build the places where life happens and find camaraderie in the process. We're a community of builders committed to building better communities. That's why we're always looking ahead, and not just to the next project or what's next in our industry. We're also looking at what's next for you and how we can help you build a career you're proud of. As a student at PCL, you will get the opportunity for challenging work assignments in a supportive work environment which promotes personal and professional growth.

We are seeking an Information Technology Student, for our **BC Region district**, within our Canadian Buildings Division that are available for 4-12 months starting in **September 2025**. This position will be under the direct supervisor of the Team Lead, Business Technology Analyst.

Here's how an Information Technology Student for our BC Region office contributes to our team:

#### Responsibilities

- Providing tier 1 (phone) and 2 (in person) support to district - both in the office and various site locations
- Logging IT related support calls
- Deployment of hardware
- Assisting in the maintenance of the IT work areas
- Handling equipment audits & shipments
- Creating process documentation
- Assisting Systems & Office Administrators in a variety of other systems related tasks as required

Pay Range: \$19.35 - \$24

PCL Student wages are determined individually for each student based on the number of completed school terms, relevant work terms, kind of role and work location.

Next Step:

Please note that candidates who have been selected to move forward to the next stage of the recruitment process will receive an email to complete a short online video interview.
