About the job

Looking to launch your career at the cutting edge of healthcare? Join Sanofi for a chance to develop with mentoring and guidance from inspirational leaders while helping to make an impact on the lives of countless people worldwide. As Co-Op Student -Data and AI Strategy Intern in our Corporate Functions,

Digital Data Hub, the role includes translating business strategy into digital, technology, AI and ways of working strategies, driving the business forward. Sanofi has recently embarked into a vast and ambitious digital transformation program. A cornerstone of this roadmap is the acceleration of its data transformation and of the adoption of artificial intelligence (AI) and machine learning (ML) solutions, to accelerate R&D, manufacturing and commercial performance and bring better drugs and vaccines to patients faster, to improve health and save lives. The Digital Data team at Sanofi Canada is the innovation engine that enables the digital transformation of the company globally.

We are an innovative global healthcare company with one purpose: to chase the miracles of science to improve people's lives. We're also a company where you can flourish and grow your career, with countless opportunities to explore, make connections with people, and stretch the limits of what you thought was possible. Ready to get started?

Main responsibilities:

Board Prep

- Serve as the central coordinator for Sanofi's Gen AI board preparations.
- Gather and synthesize information from various stakeholders.
- Develop and refine presentation slides based on feedback.
- Document and capture detailed meeting notes for follow-up and reference.
- Program Delivery / Program Strategy
- Manage and track estimates and key performance indicators (KPIs) to measure program success.
- Update and maintain a "value lens" to align initiatives with strategic goals.
- Prepare and collate strategic materials, including process documentation, presentation decks, and positioning pieces to
- Support program strategy.

Why choose us?

- Bring the miracles of science to life alongside a supportive, future-focused team.
- Discover endless opportunities to grow your talent and drive your career, whether it's through a promotion or lateral move, at home or internationally.
- Enjoy a thoughtful, well-crafted rewards package that recognizes your contribution and amplifies your impact.

Pursue *Progress*. Discover *Extraordinary*.

Progress doesn't happen without people - people from different backgrounds, in different locations, doing different roles, all united by one thing: a desire to make miracles happen. You can be one of those people. Chasing change, embracing new ideas and exploring all the opportunities we have to offer. Let's pursue progress. And let's discover extraordinary together.

At Sanofi, we provide equal opportunities to all regardless of race, color, ancestry, religion, sex, national origin, sexual orientation, age, citizenship, marital status, disability, or gender identity.
