### About CSE

The Communications Security Establishment (CSE) is Canada's agency responsible for foreign signals intelligence, cyber operations and cyber security. Learn more about our mission.

Student positions at CSE are unlike most others. We offer both practical and developmental work experience and allow students to be part of meaningful, exciting, projects, with the hope that they will want to join us full-time following their studies.

CSE is committed to fostering a culture of equity, diversity and inclusion. This isn't just an ideal, it's crucial to our mission. Find out about our workplace culture, including our diversity and inclusion initiatives.

Become part of our team and you'll understand why CSE is the most important organization you've never heard of.

### Job Requirements

#### Education

You must be registered as a full-time student in a recognized post-secondary program in a field related to the position.

**Note:** The educational program must be recognized in Canada, and you must be able to provide a transcript from your most recent term. Students graduating prior to, or during, the work term are not eligible to apply.

**In order to work at CSE, you must be a Canadian citizen.** Please review our website to learn more about job requirements and qualifications for each role: <https://careers.cse-cst.gc.ca/en/careers-carrieres/students-etudiants/opportunities/>

**Citizenship Requirement** Canadian Citizens Only

## APPLICATION INFORMATION

**Application Procedure** Through Employer Website

**Cover Letter Required?** Yes

**Address Cover Letter to** CSE Hiring Manager

### Special Application Instructions

Please click the "I intend to apply to this position" button on SCOPE and also submit your application via the employer's website. Students should submit their applications as soon as they are ready.
