About the job

Looking to launch your career at the cutting edge of healthcare? Join Sanofi for a chance to develop with mentoring and guidance

from inspirational leaders while helping to make an impact on the lives of countless people worldwide. As Co-Op Student - Digital Strategy in our Digital Strategy Department, you will learn to perform and support daily functions. Digital Strategy and Operations (DS&O) at Sanofi is the innovation engine that enables the digital transformation and innovation of the company globally. We leverage data to tackle business challenges, working in global teams to find solutions that are not afraid of challenging the status quo. As part of this team, you will fully immerse yourself in data collection, draw insights from analysis, and develop compelling, synthesized recommendations.

We are an innovative global healthcare company with one purpose: to chase the miracles of science to improve people's lives. We're also a company where you can flourish and grow your career, with countless opportunities to explore, make connections with people, and stretch the limits of what you thought was possible. Ready to get started?

Main responsibilities:

Strategic Planning and Execution Support:

- Develop and implement strategic initiatives that align with the company's digital transformation goals.
- Conduct analysis to identify opportunities for operational improvements and drive strategic projects.
- Present final recommendations to internal stakeholders.

Data-Driven Decision Making and Insight Generation:

- Leverage data analytics to inform and support business decisions.
- Develop and maintain dashboards and reports to track key performance indicators (KPIs).

Product Strategy and Innovation:

- Partner with Product Owners, Data Engineers, and Data Scientists to design and develop novel solutions.
- Support product owners in outlining product milestones and resources to meet product release plans.
- Conduct analyses to identify root causes of potential problems and develop remediation plans.
- Improve product adoption, collect user feedback, and enrich product feature backlogs.

Why choose us?

- Bring the miracles of science to life alongside a supportive, future-focused team.
- Discover endless opportunities to grow your talent and drive your career, whether it's through a promotion or lateral move, at home or internationally.
- Enjoy a thoughtful, well-crafted rewards package that recognizes your contribution and amplifies your impact.

Pursue Progress. Discover Extraordinary.

Progress doesn't happen without people - people from different backgrounds, in different locations, doing different roles, all united by one thing: a desire to make miracles happen. You can be one of those people. Chasing change, embracing new ideas and exploring all the opportunities we have to offer. Let's pursue progress. And let's discover extraordinary together.

At Sanofi, we provide equal opportunities to all regardless of race, color, ancestry, religion, sex, national origin, sexual orientation, age, citizenship, marital status, disability, or gender identity.
