CareQuilt

CareQuilt is transforming the elderly care industry by building a modern, tech-first solution that ensures high-quality care while addressing the increasing demand for elderly support. The industry today is outdated, inefficient, and unable to meet the needs of our aging population. We're here to change that.

Why Join Us?

- Work alongside former FAANG engineers.
- Build AI-driven solutions, web platforms, and mobile apps.
- Gain hands-on experience in a fast-paced, mission-driven startup.
- Make a real impact in an industry that affects millions of families
