#### Job Description

Use your ability to work with technology and apply that critical, security-minded, thinking in a fast-growing company where you can make an impact. The British Columbia Investment Management Corporation (BCI) is currently seeking a Cyber Security & Risk co-op student/intern for the Summer 2026 work term (May - August) to provide technical and business-process related support to the Technology department.

#### WHAT YOU NEED TO KNOW

BCI manages a globally diversified portfolio of assets valued at \$295.0 billion and is one of Canada's largest institutional investors. We invest globally to support pension and other funds for more than 30 clients based in British Columbia. We are proud to have been chosen as one of **Canada's Top 100 Employers** and **BC's Top Employers**. These national and provincial competitions recognize employers who offer exceptional workplaces for their employees.

#### WHO YOU WILL WORK WITH

BCI's Cyber Security Team is the source of expert cyber security advice, guidance, security operations, technical services and support that defends BCI against all cyber security threats.

## WHAT YOU WILL BE DOING

- Work under the supervision of the Security & Risk team and assist with various projects
- Collect, organize and analyze data from various enterprise technologies and tools
- Conduct directed research for new technologies or to assist with vendor reviews
- Provide recommendations and work collaboratively in a team environment
- Prepare reports and assessments for the department and management teams
- Ad-hoc projects and tasks as assigned by the team

## WHAT WE OFFER

- Work with a dynamic team in a fast-paced environment
- The development of real-world skills at one of the largest institutional investors in Canada
- Exposure to some of the most talented, approachable, and inspiring people in the industry
- The ability to opt-in for access to Dialogue, a user-friendly app that offers virtual primary care, employee and family services, and mental health supports
- Time to connect with co-op students & interns at BCI - build your network and shared learning
- 2 paid days per year for volunteering
- Competitive pay: \$2,330.00 gross bi-weekly or \$2,155.00 gross bi-weekly + vacation leave paid based on 6% of salary (\$2,330.00 gross biweekly for those with (or working towards) a graduate degree and \$2,155.00 gross biweekly for those with (or working towards) an undergraduate degree, diploma, or certificate)
- Travel: if coming to Victoria for this work term, BCI will provide a fixed-rate travel allowance based on your location

## THE DETAILS

- Work term: **Summer 2026** (May - August)
- Department: **Technology**
- Office Location: 750 Pandora Avenue, Victoria, BC
- Spend your off hours exploring beautiful Victoria and Vancouver Island
- All co-ops/internships will need to be completed in person at our Victoria office with the option to work one day per week from home. Please note, some positions are not eligible for hybrid work.

## Job Requirements

### REQUIRED SKILLS

- A fundamental knowledge of basic security principles and a high-level understanding of the overall cyber security threat landscape is essential
- Ability to communicate clearly and concisely, verbally and in writing
- Ability to meet deadlines while maintaining accuracy, excellent product quality, and attention to detail
- Has an interest in cyber security, a dedication to hard work, commitment to the highest ethical standards, and an eagerness to learn
- Strong research skills combined with analytical and problem-solving abilities
- Excellent career development and training to start your career in cyber security

**Citizenship Requirement** N/A

## APPLICATION INFORMATION

**Application Procedure** Through Employer Website

**Cover Letter Required?** Yes
