#### Rising Talent Internship Program

Looking to apply your skills to real-world business challenges alongside experienced professionals? dormakaba's Rising Talent Internship Program offers hands-on projects that make a real impact-from manufacturing and product design to customer engagement and innovation.

Learn more about the program by watching this short video: [https://www.youtube.com/watch?v=qD\\_8FLLdkOU](https://www.youtube.com/watch?v=qD_8FLLdkOU)

**HIRING SALARY RANGE:** Base Salary \$ 24.00 \$28.00 (Salary to be determined by the education, experience, knowledge, skills, and abilities of the applicant, internal equity, and alignment with market data.) Please visit our career site for more information on benefits.

Applicants must be authorized to work for any employer in the Canada. We are unable to sponsor or take over sponsorship of an employment visa at this time.

What you will do

- Execute specified user stories and tasks as mandated by the team lead
- Assist in creating unit and automated tests
- Help analyze and potentially fix issues coming in from the field
- Gather data and analyze the business challenges alongside subject matter experts
- Drive evidence-based decision-making that helps design a new process
- Schedule routine check-in meetings with your supervisor to monitor the advancement of assigned projects
- Attend weekly lunch and learn sessions where you will get to learn more about a business topic of the week! Some examples of past topics include: Top 10 Presentation Skills, Environmental Health and Safety, StrengthsFinder, etc.
- Deep dive into data and use evidence-based decision making that helps design a new process, introduce new technology, re-imagines the way we collaborate, or positively influences our culture
- Sit in on meetings both within and beyond your designated role to broaden your engagement
- Collaborate with other interns on projects
