Job Description	

We are looking for a Developer to join our GWCM team. The Global Wealth and Capital Markets (GWCM) division of CGI builds, maintains and operates industry leading wealth management solutions to serve our clients' needs for brokerage processing, portfolio management and administration, fund accounting, shareholder record keeping, plan administration, foreign exchange trading, and mortgage securitization. We also support banks in critical back-office functions, such as originations, collections and trade services, through other CGI solutions.

Start Date: May 2026

Application Deadline: February 2 2026

Perks of Being a CGI Co-op:

- Participate in monthly socials to meet co-ops across the country.
- Access professional development workshops hosted by domain experts on topics ranging from how to be a top consultant, how to apply the agile methodology, data & analytics and more!
