Job Description	

## UX Writer Co-Op

**Location:** Vancouver, British Columbia

**Inspire the World, Create the Future**

**Do you believe in the power of technology to help shape a brighter future and a stronger global community? Are you inspired by the possibilities? Are innovation, camaraderie, and the pursuit of excellence part of your innate drive? Then you've got what it takes to succeed at Samsung.**

### Who You Are

Our content is one of the first things our customers see when they use our products. We want to create a great first impression, excite our customers, educate them on the possibilities, help them when they run into issues, and enhance our company brand.

We are hiring for a UX Writer Co-op to join Samsung R&D Canada's B2B Content team. The ideal candidate for this position is a keen learner who enjoys being a Subject Matter Expert, excels at research, loves being an early product user, passionately advocates on behalf of customers, and develops world-class content that is perfectly pitched to our audience.

## **What You'll Do**

- Create engaging, concise, and clear UX copy for Samsung's B2B products and services.
- Develop and maintain an understanding of Samsung's B2B technology, services, and business strategy
- Review content to ensure adherence to style guidelines.
- Apply findings from user research to UX copy with the goal of optimizing the user experience.
- Collaborate with cross-functional teams, such as user experience, product management, researchers, and developers to ensure messaging alignment.

### **Additional Information:**

- \$20-\$27/hr (Co-Op pay will be determined based on a number of factors and may vary depending on job-related knowledge, completed study terms, relevant skills, and experience)
- 8 months (January - August)
- Hybrid (Monday-Thursday in office, located in Vancouver)
- Interviews will be 30-45 minutes with selected candidates

## **Job Requirements**

### **What You Bring**

- Pursuing a degree in Interactive Arts, Psychology, Communication, or related studies.
- A strong portfolio of writing samples.
- Excellent verbal and written communication skills.
- Strong attention to detail and a commitment to quality.
- Ability to work independently, demonstrating strong multi-tasking and organizational skills in a fast-paced and dynamic environment.

### **Preferred**

- Experience with design tools (Sketch, Figma, etc.).
- Experience using style guides/design systems.
- Experience using research to enrich design solutions.

**Citizenship Requirement**                      N/A
