Job Description

Job Title: Tech Ops & Support Co-op

Job ID: 2601406

Application Deadline: **February 1, 2026**

What you'll be doing

As a member of CIBC's Technology Operations team, you will have a real impact in making our clients' ambitions a reality! As a Tech Ops & Support Co-op, this is a great opportunity to be a part of an innovation-focused team that is helping to deliver CIBC's digital transformation by providing direct support to CIBC lines of business on the use of internal products and applications. Join our team and stretch your communications, teamwork, and innovative thinking skills to help enhance the banking experience for the modern world.

At CIBC we enable the work environment most optimal for you to thrive in your role. Details on your work arrangement (proportion of on-site and remote work) will be discussed at the time of your interview.

Citizenship Requirement	N/A

Application Deadline: **February 1, 2026**

Important information

Please note, we have multiple positions available under this posting and you may be considered by more than one hiring team

- We may ask you to complete an attribute-based assessment and other skills tests (such as simulation, coding, French proficiency, MS Office). Our goal for the application process is to get to know more about you, all that you have to offer, and give you the opportunity to learn more about us.
- You must be currently enrolled in post-secondary education and returning to full-time studies to be eligible. However, you do not need to be in a registered Co-op program to be considered for a role.
- Please include your resume (no more than 2 pages), a cover letter (no more than 1 page), and your most recent unofficial transcript with your application. These should all be uploaded into the Resume section of the application as one pdf document?
- 4/8/12 month opportunities available

Please click the "I intend to apply to this position" button on SCOPE and also submit your application via the employer's website. Applications are accepted on a rolling basis and the posting may be expired at any time by the employer as submissions are received. Students should submit their applications as soon as they are ready.
