Job Description

What is the opportunity?

Are you interested in the opportunity to work as a **Technical Systems Analyst** Co-op at RBC for **8 Months**? By applying to this job posting, you will be considered for multiple roles available across RBC Technology & Operations.

Please only apply to this posting if you are eligible to complete a full 8-month co-op term with your school.

What will you do?

- Create and review technical design documents related to small projects and understanding how the design will be used in the code development process
- Coordinate design phases for small projects, identifying, tracking and resolving technical issues
- Participate in walkthrough reviews of technical specifications, programs and unit test plans
- Provide estimates on activities/tasks required to perform design, coding and unit testing, improving accuracy over time
- Performance tuning to improve performance of single function
- Low level planning of work packages meeting project objectives within budget and on time
- Provide third-level support of applications, database etc.
- Facilitate small group meetings for technical design, problem solving and task implementation

What's in it for you?

We thrive on the challenge to be our best, progressive thinking to keep growing, and working together to deliver trusted advice to

help our clients thrive and communities prosper. We care about each other, reaching our potential, making a difference to our communities, and achieving success that is mutual.

- Network and build lasting relationships with students from diverse backgrounds from across Canada
- Participate in fun events and gamification challenges to help build your career tool kit while enjoying a work-life balance
- Leaders who support your development through coaching and learning opportunities
- Work in a dynamic, collaborative, progressive and highly performing team
- Ability to make a difference and lasting impact
- Enjoy a comfortable work environment with the option to dress casually

*We encourage you to apply as soon as possible as we accept applications on a rolling basis, but please note that the formal application deadline is **September 14, 2025**. Should you be selected to progress, someone from our team will reach out directly to provide instructions on next steps. Otherwise, feel free to check for progress updates by logging in to your RBC profile. If the status has not changed, it denotes the fact that your application is still under review.*
