#### What is Geering Up?

UBC Geering Up Engineering Outreach is a non-profit organization dedicated to engaging the children and youth of British Columbia in STEM (Science, Technology, Engineering and Math) through fun, innovative, and hands-on experiments and projects. Systemic barriers prevent many people from pursuing careers in STEM, so Geering Up strives to reach all children and youth, regardless of gender, ethnicity, culture, or socio-economic status. Since 1995, we have reached youth through events, summer camps, in-school workshops, community outreach trips, clubs, and more. Find more information about our programs [here](#). Integration Support Instructors work 1-on-1 with children with exceptionalities and language barriers and help them integrate into camps and have a safe, fun, and memorable camp experience. In this position, you will be travelling between sites with a primary focus on supporting our North Vancouver and Coquitlam programs.

#### What would you do in this role?

- Provide Integration Support for campers identified as having exceptionalities or language barriers, such as: providing 1-on-1 support for campers; contacting parents of campers to discuss integration strategies; serving as a resource for Camps Instructors when they need additional camper support

- Support student learning in STEM curriculum
- Act as an Instructor and role model
- Follow safety and risk management policies and ensure every student is safe and having fun
- Complete all evaluations and reports in a timely manner
- Assist in prep tasks at the end of each day
- Perform other duties, as requested by the Camp Coordinators

#### **Why Join Geering Up**

- Science communication and teaching experience; teaching hours with Geering Up can typically be accepted by Education programs to fulfill admissions requirements
- First Aid & CPR certification (unless currently certified)
- Access to a national network of STEM outreach organizations. Learn more about the Actua network [here](#)
- Training on topics such as classroom management, working with youth with exceptionalities, utilizing educational technology
- Equity, Diversity, and Inclusion training
- Leadership & program development opportunities for returning staff members

#### **Job Requirements**

##### **What skills are we looking for?**

- Strong experience working with children in a teaching or helping environment is required
- Proven leadership skills and exceptional teamwork abilities
- Excellent communication and interpersonal skills
- Ability to speak a second language is an asset, but is not required
- Proven planning, organizational, multi-tasking, and self-directed work skills
- Special consideration given to those with formal training in special education and/or disability theory, those who have worked in a summer camp environment in the past, and those with current Standard First Aid certification
- All Geering Up Staff must have a Criminal Record Check on file before they may work with children
- A valid driver's license and access to a car for work is required for this role, with willingness to work at both our North Van and Coquitlam camps locations on a rotating/as-need basis

We encourage candidates to apply even if they meet only some\* of the skills criteria listed above.

*\*Ability to drive is mandatory for this position*
