<b>Job Description</b>	

Definity is the parent company to some of Canada's most long-standing and innovative insurance brands, including Economical Insurance, Sonnet Insurance, Family Insurance Solutions, and Petline Insurance. Our ambition is to be one of Canada's leading and most innovative property and casualty insurers. We can't do that without our people, so we embrace and encourage a culture that's collaborative, ambitious, rewarding, and empowering.

We offer a flexible, hybrid work experience where employees work from the office and virtually depending on the type of work they are doing and who they are working with. Bring your true self and be a part of our journey. It's better here.

#### **YOUR NEXT CO-OP PLACEMENT**

Work term: Summer 2026

Work term length: 4-month

From classroom to co-op to career, every step of your journey has an impact on your future. That's why it makes sense to choose a co-op placement with a company that offers truly rewarding work and real-life experience. At Definity®, your contributions, creativity, and energy will be put to good use, and you'll get to be involved with initiatives that support our strategic goals and use your skills in a supportive team environment.

If you're looking for a company that takes care of its people - full time, part time, and co-ops alike - and has a track record of doing big things, get ready to love it here.

#### **What can you expect in this role?**

Reporting to an Actuarial Manager, you will play a key role in contributing to projects in personal or commercial pricing, reserving, financial planning and economic capital modelling using state of the art models and innovative approaches. You will develop deep knowledge of actuarial operations and the insurance business, including predictive modelling, underwriting, claims handling, product development, reserving, estimation of policy liabilities, planning and/or forecasting

#### **What you'll be doing**

- Assign and log all of the SIU referrals appropriately and within the required timelines.
- Monitors and responds to all SIU email requests sent to the Triage team.
- Assist with the development of SIU training modules and presentations when required.
- Actively collaborate with members of the Triage team, SIU Investigators, Claims Line of Business, Advanced Analytics to develop best practices, establish guidelines, policies around fraud detection and claim scenarios.
- Work closely with the Advanced Analytics team to create improvements to develop better claim referrals from the Fraud Analytics tool.
- Assist SIU Team Lead and SIU Management on all ad hoc requests and reports.
- Other duties as assigned by management or as needed.
