Req ID: R-0000155896

Please note: This posting is for a 4-month Student Summer 2026 placement with a start date of May 2026 and end-date of August 2026.

In order to be eligible for this 4-month Student position, you must either:

- Be returning back to school after the work term end-date of August 2026; or
- If you are not returning back to school (i.e. are graduating in April/August 2026), but you require the work term as a mandatory component to in order to graduate successfully.

Please ensure that you meet these eligibility requirements before applying - candidates who apply but are found to be ineligible are not able to be considered.

Please ensure that you meet these eligibility requirements before applying - candidates who apply but are found to be ineligible are not able to be considered.

What is the opportunity?

We are seeking a highly motivated and enthusiastic student to join our Commercial Performance Management Reporting Team. This exciting opportunity will provide the successful candidate with valuable work experience, skill development, and the chance to contribute to the success of RBC's Commercial Bank and Ambition 2030 strategic initiatives.

By joining our team, the successful candidate will have the opportunity to apply their skills and knowledge in a dynamic and supportive environment, while gaining valuable insights and experience in the financial industry.

What will you do?

The ideal candidate needs to possess a technical aptitude and a strong desire to learn to:

- Play a critical role in advancing our automation initiatives on Jira Service Desk.
- Enhance metric automation.
- Support the growth of our cloud infrastructure through Snowflake.
- Contributing to the development and expansion of our knowledge base, including the creation of a comprehensive library of Frequently Asked Questions (FAQs).
- Designing and implementing automated business rules to enable intelligent routing of reported issues, streamlining support processes and enhancing overall efficiency.
- Enhancing the user experience through other process improvement and innovation.
- Assist with maintaining Kanban Board & Backlog.
- Participate in special events and projects.
- Develop and maintain relationships with colleagues and stakeholders.

What's in it for you?

We thrive on the challenge to be our best, progressive thinking to keep growing, and working together to deliver trusted advice to help our clients thrive and communities prosper. We care about each other, reaching our potential, making a difference to our communities, and achieving success that is mutual.

- Leaders who support your development through coaching and managing opportunities
- Ability to make a difference and lasting impact
- Work in a dynamic, collaborative, progressive, and high-performing team
- Opportunities to do challenging work and make a difference
