<b>Job Description</b>	

#### **Overview**

At KPMG in Canada, you'll join a team of diverse and dedicated problem solvers, connected by a common cause: turning insight into opportunity for clients and communities around the world.

Do work that matters,?supported by a community that values difference and cares about you. Gain learning that'll last you a lifetime and be recognized for the impact you make. With a focus on encouraging employees to come as they are, KPMG provides its employees with a variety of unique tools and support systems that ensure they thrive and make their mark in their career and in their communities.

#### **What you will do**

Our Vancouver office is seeking undergraduate students in commerce with a focus in finance, economics, accounting or related program OR completing a graduate/undergraduate degree in science, economics, public policy, or related multi-disciplinary program to join the team as a summer intern hire in Summer 2026 as a part of our Advisory practice

### Our Global Infrastructure Advisory Team

Join KPMG's Global Infrastructure Advisory practice and be part of a diverse team of professionals in Vancouver, nationally, and globally.

As a Business Analyst with KPMG's Deal Advisory - Global Infrastructure Advisory (GIA), you will have the opportunity to provide a range of advisory services on behalf of our various public and private sector clients to help them drive value from their infrastructure initiatives.

### ***What's in it for you:***

#### ***Interns & Co-op Students***

Our Intern and Co-op program aims to develop the next generation of leaders through challenging and interesting work. During your term, you will gain authentic engagement experience working with client projects across our teams. Along the way, you will broaden your skill set through KPMG's vast learning and development opportunities that you can take on to your future career.

The national Power Up programming will also provide you with opportunities to learn from our leaders, build a network with other student hires through social events, collaborate with professionals from across KPMG and learn how KPMG supports you in your career journey.

—

The expected annual base salary range for this position is \$45,000 - \$60,000 and may be eligible for bonus awards. In addition, KPMG offers a comprehensive and competitive Total Rewards program.

—

### ***How to apply:***

## Start your journey and make your mark with KPMG today!

All applications must be received no later than Sunday, 14 September 2025 at 11:59 PM, PST

Feeling a little overwhelmed with the application process? Don't worry - we've got you covered! Check out our resume and interview tips available over at our Application Journey page!

—

### **What is required for this application process:**

#### **•Please limit your application to one role at the location of your choice based on your interests.**

You will be asked to complete an application questionnaire where you can outline your preferences.

Please carefully review which specific opportunities are available before submitting your application, as openings vary by office.

#### **•Applications can be addressed to "Hiring Manager" and should include a cover letter, resume, and a copy of your most recent unofficial transcript. If you do not have access to an electronic copy of your**

transcript, we ask that you attach a screenshot of your grades from your school's website.

- All considered applicants must have or will obtain legal authorization to work in Canada by the start date of employment.
- If you require more information about the CPA BC Academic Prerequisites at Post-Secondary Institutions, you can visit <https://www.bccpa.ca/become-a-cpa/admissions/>

If you experience any difficulties with the online system, please contact [ca-fmcandidateexpcoe@kpmg.ca](mailto:ca-fmcandidateexpcoe@kpmg.ca).

#### **Our Values, The KPMG Way**

**Integrity**, we do what is right | **Excellence**, we never stop learning and improving | **Courage**, we think and act boldly | **Together**, we respect each other and draw strength from our differences | **For Better**, we do what matters

KPMG in Canada is a proud equal opportunities employer and we are committed to creating a respectful, inclusive and barrier-free workplace that allows all of our people to reach their full potential. A diverse workforce is key to our success and we believe in bringing your whole self to work. We welcome all qualified candidates to apply and hope you will choose KPMG in Canada as your employer of choice.

#### **Adjustments and accommodations throughout the recruitment process**

At KPMG, we are committed to fostering an inclusive recruitment process where all candidates can be themselves and excel. We aim to provide a positive experience and are prepared to offer adjustments or accommodations to help you perform at your best. Adjustments (informal requests), such as extra preparation time or the option for micro breaks during interviews, and accommodations (formal requests), such as accessible communication supports or technology aids, are tailored to individual needs and role requirements. You will have an opportunity to request an adjustment or accommodation at any point throughout the recruitment process. If you require support, please contact KPMG's Employee Relations Service team by calling 1-888-466-4778.

#### **Job Requirements**

##### **What you bring to the role**

You strive to make a meaningful and positive difference alongside your peers, to work collaboratively and with innovation at the forefront. You're passionate about being involved in your local community and post-secondary institution and have a proven ability to achieve personal and professional success while being curious as you learn emerging practices and technologies.

##### ***How you will succeed:***

•

- You have a strong academic record
- You build collaborative relationships:** Establishes strong relationships internally and externally and builds wide and productive networks
- You develop and motivate others:** Engages others, instills confidence, and coaches people to find meaning in their work and achieve exceptional results

- You take opportunities to learn and adapt:** Uses insights and self-reflection to build capability and embrace new challenges
- You drive quality:** Delivers high-quality results and exceptional service that provide value
- You foster innovation:** Embraces a culture of innovation and experimentation to create value
- Demonstrated analytical and problem-solving skills, with the ability to handle changing priorities.
- Adept to complex problem-solving
- Show aptitude for critical thinking
- Understanding of basic financial and accounting principles.
- Above-average proficiency using Microsoft Excel/PowerPoint
- Comfortable working in a dynamic, fast paced, and demanding environment.

**Citizenship Requirement** N/A
