Job Description	

Job Title: Co-Op/Intern, Software Development (Fall 2025 Term)

Location: Remote, Canada (B.C, Ontario, Alberta)

Term: 4 months

Start Date: September 8, 2025

Openings: 1

ROLE DESCRIPTION:

Hootsuite's developers would love to help Computer Science/Engineering Co-op students develop their technical skills and knowledge about people, processes, and technology by working with students over their co-op term. You'll pair with a mentor and work remotely alongside a passionate and egoless team, having fun building something bigger than themselves. Experience what it's like to make a difference in people's lives by building the products that our customers turn messages into meaningful relationships.

WHAT YOU'LL DO:

- Work with mentors to learn the craft of Software Development
- Collaborate in small teams to design, build, and ship high-quality software to Production
- Participate in code reviews to continually improve your craft and approach to problem solving
- Iterate in an agile fashion; creating hypotheses and testing them with incremental changes
- Work-out-loud by sharing your work and experiences internally and with our community
- You'll be working with our FE tech stack (TypeScript, Javascript, React, Redux, React Testing Library, Playwright, HTML/CSS)

Canada Pay Range For This Role

\$53,800-\$64,600 CAD

In all we do, our six guiding principles light the way:

Step Up: Show the world what it looks like to live and work by these guiding principles. #StepUp

One Team: Make Hootsuite a place where everyone feels safe, welcome, valued, and empowered to do their best work without compromising who they are. #OneTeam #FreeToBeMe

Customer Obsessed: Focus relentlessly on helping our customers succeed. #CustomerObsessed

Go Fast, Be Agile: Widen our competitive advantage by committing to speed and simplicity over perfection and complexity. #GoFastBeAgile

Play to Win: Commit to building an incredible, profitable company for our customers, our employees, and our stakeholders. #PlayToWin #NoExcuses

Neighbours & Allies: Give back to our communities and be an ally. #SocialForGood #Allies

Accommodations will be provided as requested by candidates taking part in all aspects of the selection process.

Job Requirements

WHAT YOU'LL NEED:

- Experience shipping code or a demonstrated interest in programming or technical skills
- A demonstrated history of creative thinking and collaborative problem solving
- A drive to complete things because you want to, not because you have to
- Collaboration and Teamwork: works with others to deliver results, meaningfully contributing to the team and prioritizing group needs over individual needs
- Creativity and Innovation: seeks new and better ways of doing things, generates original and imaginative ideas, products, or solutions
- Courage: steps up to address difficult issues, saying what needs to be said
- Open Communication: clearly conveys thoughts, both written and verbally, listening attentively and asking questions for clarification and understanding

WHO YOU ARE:

- Solution seeker: You're focused on tackling new challenges, solving problems, and moving the business forward-and you don't wait to be asked.
- Lifelong learner: You have a growth mindset - you're here to learn, experiment, seek, apply, and provide feedback, share what works with your team, and move on from what doesn't.
- Resilient adapter: In the face of change and challenges, you bring a thoughtful, calm approach and a focus on finding new opportunities.
- Intentional collaborator. You build positive working relationships across the business, bringing people together to foster new opportunities and to facilitate the efficient flow of information.
- Critical challenger: You have the trust in your team to ask difficult questions in order to get to the best end result.
- Active communicator: You listen actively and communicate ideas and information clearly, inclusively, and proactively.
- Integrated thinker: You look beyond your role and responsibilities to understand how your team's work drives broader organizational goals.
- Accountable owner: You take pride in the work you're responsible for with a mindset of ultimate accountability and reliability for the outcomes.
- Bar-raiser: You step up to help your team grow and succeed, even when that means going beyond what might be expected.
