**Job Title: Integration Developer Student**

**Job ID:** 9688

**The future you want is within reach.**

At PCL, we build the places where life happens and find camaraderie in the process. We're a community of builders committed to building better communities. That's why we're always looking ahead, and not just to the next project or what's next in our industry. We're also looking at what's next for you and how we can help you build a career you're proud of. As a student at PCL, you will get the opportunity for challenging work assignments in a supportive work environment which promotes personal and professional growth.

We are seeking a **Integration Developer Student** for our North American Headquarters district in **Edmonton, Alberta**, that is available for **8 months starting in January 2026**.

As an **Integration Developer Student** and depending on your assigned project, you will have the opportunity to contribute to our team by:

- Designs, develops and maintains data integration processes.
- Develops and configures APIs and integration processes ensuring alignment with PCL software architecture standards and data governance rules.
- Develops and maintains ETL/ELT processes.
- Develops and maintains technical documentation.
- Defines tests plans and executes test cases to ensure integration processes meet quality assurance standards.

- Develops new or enhances existing data integrations by evaluating business requirements and collaborating with subject matter experts.
- Coordinates releases with other development teams by adhering to PCL change management processes.
- Collaborates with team in designing and implementing new features.
- Breaks down technical designs into development tasks.
- Creates and executes unit tests.
- Participates in code reviews.
- Participates in the design of solutions to business problems.
- Troubleshoots and resolves production support issues.

Next Step:

- Please note that candidates who have been selected to move forward to the next stage of the recruitment process will receive an email to complete a short online video interview.

PCL is an innovative, employee-owned company comprised of people who find passion in their profession and take pride in doing great work every day. Our work powers the infrastructure and utilities that are essential to daily life and our projects are the scene of vacations, careers, education and healing. We are consistently ranked among the best companies to work for because we are committed to supporting and developing our teams.

The PCL Companies celebrate diversity and are proud to be an equal opportunity employer. We are committed to creating equitable opportunities and an inclusive environment for all employees and applicants. We make all employment-related decisions without regard to race, color, religion, sex, national origin, sexual orientation, gender identity, age, disability or veteran status.

PCL combines numerous pay and benefit strategies to provide a comprehensive and competitive total rewards package. Any salary range displayed by a job board is an estimate. Your salary, which considers your unique qualifications and experience, is just one component of the robust total rewards you'll enjoy at PCL. This may include an employee share purchase offering, discretionary annual performance bonus, comprehensive benefits and wellness programs, retirement plan plus matching, and career development programs.

Should you require an accommodation during the application process, please contact us at [careers@pcl.com](mailto:careers@pcl.com) with the position and location you are interested in.

Together, we can build success and a better future. Let's get started!
