**Job Title:** Summer Student - Programmer Developer/Integrator Assistant

**Job ID:** 20711

**Application Deadline:** **February 28, 2026**

### **JOB SUMMARY**

Applications Management is responsible for planning and managing the full lifecycle and day-to-day delivery and operations of multiple, complex enterprise-wide applications, web applications and services, and over 170 business-specific applications managed by Information Technology Services for use by specific client departments, the corporation and/or the public.

Under the direction of a Project Manager in Applications Management, you work as a team member on a number of client server based applications to support internal client requirements at the City.

We wish to thank all applicants for their interest and effort in applying for this position. Only candidates selected for interviews will be contacted.

The City of Ottawa promotes the principles of diversity and inclusion and adheres to the tenets of the Canadian Human Rights Act and the Ontario Human Rights Code. We encourage applications from members of Indigenous, Black and other racialized communities, persons with disabilities, women and non-binary persons, persons of all ethnic origins, religions, sexual orientations, classes, gender identities and expressions.

Candidates are encouraged to self-identify as a member of one or more designated employment equity groups in the self-

identification questionnaire.

The City of Ottawa provides accommodation to applicants during all parts of the hiring process, upon request. If contacted to proceed to the selection process, please advise us if you require any accommodation.

Accessible formats and communication supports are available upon request. Please contact the Employee Service Centre at 613-580-2424 extension 12211 or via email at [esc-cse@ottawa.ca](mailto:esc-cse@ottawa.ca).
