Job Description	

Job Title: WaveServer Software Developer - Fall 2025 - 4 months

Job ID: R028692

As the global leader in high-speed connectivity, Ciena is committed to a people-first approach. Our teams enjoy a culture focused on prioritizing a flexible work environment that empowers individual growth, well-being, and belonging. We're a technology company that leads with our humanity driving our business priorities alongside meaningful social, community, and societal impact.

How You Will Contribute:

As a Software Developer Co-op at Ciena, you will have the opportunity to make a significant impact on our network solutions and contribute to the advancement of our innovative technology. Working in a dynamic team environment, you will bring fresh ideas and challenge yourself and others to continuously improve our projects.

Pay Range

The hourly pay range for this position is \$27.00 - \$37.50

Pay ranges at Ciena are designed to accommodate variations in knowledge, skills, experience, market conditions, and locations, reflecting our diverse products, industries, and lines of business. Please note that the pay range information provided in this posting pertains specifically to the primary location, which is the top location listed in case multiple locations are available.

In addition to competitive compensation, Ciena offers students access to the Employee Assistance Program (EAP), company-paid holidays, paid sick leave, and vacation pay as required by applicable laws.
