GIS Planning Student (4-8 Month Co-Op)

The County of Brant, ON, Canada

Temporary

Development Services, Development Planning

APPLY

REPORTS TO: Director of Planning / Development Services GIS Analyst

LOCATION: Initial Placement - Paris Administration Office

Summary of Duties:

Reports to and carries out work under the direction of the Director of Planning. Undertakes and assists staff in a variety of planning,

environmental, and natural heritage-related assignments and studies, including research, survey, data-gathering, data maintenance, and data analysis. Provides graphic design assistance in the preparation of reports and studies.

Work Performed:

- Completes various data maintenance, editing and data updates as needed.
- Undertakes research, survey, data-gathering, data monitoring, data analysis, and mapping analysis related to Planning and Development projects and processes.
- Provides information to other planning staff, municipal departments, agencies, elected officials, community organizations and the general public.
- Assists in the preparation of reports; and provides information to senior staff, pertaining to Planning assignments.
- Assist with graphics in the preparation of reports and presentations. Develops illustrative urban design drawings, maps, and 3D modeling to assist Planning and Development staff in their projects.
- Conducts, or assists in the preparation of studies, strategies, guidelines and projects relating to the long term planning for sustainable development of land, facilities and services, including the study of demographic, socio-economic, physical and environmental factors; solicits input from other departments, divisions, agencies and the public.
- Provides information to other planning staff, municipal departments, agencies, elected officials, community organizations and the general public.
- Performs related duties as assigned.

Duration: May to August or May to December (35 hours/week)

Job Requirements

Qualifications:

- Currently enrolled in a University or College GIS or Planning program, or related field.
- Must be a current student enrolled in full-time studies returning to school full-time September 2026 and/or require this placement to graduate from an academic program.

Specialized Training & Licenses:

- Working knowledge in graphic design related software, such as Google SketchUp, AutoCAD, Adobe Create Suite (InDesign, Illustrator, Photoshop) and ArcGIS
- Strong computer skills in Windows Office programs, particularly Word, Excel and PowerPoint.
- Working understanding of planning legislation, and planning, natural heritage, sustainability and resiliency principles and practices would be an asset.
- Valid Driver's License is an asset.
- Excellent verbal and written communication skills.

You must be enrolled in a post-secondary Institution and returning to school the following semester to qualify for this position with the exception of completing a final co-op term.

Citizenship Requirement N/A
