Job Description	

Job Title: Quality Engineering Co-op Student

Job ID: R127244

As an Engineering Quality Co-op Student, you will be helping the Engineering Services team achieve their quality targets. Your goal will be to expand your knowledge of oil and gas engineering practices and the practice of quality management. You will be successful by asking questions, seeking to understand how the team works and what they do, taking accountability for your own work, following the procedures you receive training on and supporting your teammates.

What We Offer:

- Professional Development - Student focused learning & development sessions, mentorships and networking events
- Student Benefits - Housing allowance, co-op fee reimbursement and parking allowance for qualifying candidates.
- Work Environment - Work in our beautiful home office building with access to a fitness facility, onsite nurse, and a café
- Wellness Support - With 24/7 access to our Employee & Family Assistance Program
- Volunteer and donation matching program - Choose when and where to make an impact with a paid volunteer day, company volunteer opportunities, and a donation matching program

Irving Oil is committed to supporting a diverse and inclusive work environment. We thrive on the good energy that's created when our people from different backgrounds, identities, cultures and experiences share their unique perspectives. Diversity is key to our success and inclusion is everyone's responsibility.
