Job Description	

Job Title: Coop Work Experience Student

Job ID: ALB00520805

Application Deadline: **October 9, 2025**

Description:

There is flexibility as to the location of this position within the Province of Alberta. At the time of appointment, the successful candidate may discuss location options with the hiring manager (office/home office/hybrid). The students will be required to attend meetings and workshops in person in the office. Various Information Technology Co-op Student positions are available. AHS provides a wide range of learning opportunities for students. The AHS IT team is one of the largest in Canada and has over 2500 employees across the province. The IT Team is a very dynamic and driven group who engage in complex, challenging and diverse projects to deliver collective results. Through quality work and innovative solutions, we meet the ever-changing needs of Albertans. Please Note: This posting is for current students only; you must be currently enrolled in an applicable post-secondary program and continuing your studies in the next term for the duration of the placement. Students that have graduated or will graduate before the placement begins are not eligible to apply. All students must reside in Alberta during their employment with AHS, and do not subsidize relocation expenses.
