Our Purpose

At Deloitte, our Purpose is to make an impact that matters. We exist to inspire and help our people, organizations, communities, and countries to thrive by building a better future. Our work underpins a prosperous society where people can find meaning and opportunity. It builds consumer and business confidence, empowers organizations to find imaginative ways of deploying capital, enables fair, trusted, and functioning social and economic institutions, and allows our friends, families, and communities to enjoy the quality of life that comes with a sustainable future. And as the largest 100% Canadian-owned and operated professional services firm in our country, we are proud to work alongside our clients to make a positive impact for all Canadians. By living our Purpose, we will make an impact that matters.

--

Do you enjoy developing innovative solutions to complex problems, leveraging technology and data analytics to drive

effectiveness and efficiency in your work, and working as part of a collaborative team? We would love to meet you!

What will your typical day look like?

As an Intern on our Disputes & Claims team, you will:

- Work on client engagement teams executing on projects, supporting key decision-makers in developing and executing deliverables;
- Contribute to presentation materials, reports and schedules for client engagements;
- Prioritize objectives and contribute to project planning and status reporting;
- Actively focus on developing effective communication and relationship-building skills; and
- Work in a collaborative team environment.

About the team

Deloitte's Disputes & Claims team specializes in providing independent assessments of economic losses by performing financial analysis and utilizing accounting and business valuation techniques.

We differentiate ourselves through the breadth and depth of our experience, as well as our deployment and application of technology accelerators and data analytics. Our goal is to make the complex simple, leading the way to successful dispute resolution.

Job Requirements

Enough about us, let's talk about you

In this role, the expected qualifications are:?

- Working towards completing a post-secondary degree or diploma in accounting, mathematics, business administration, or a related field.?Candidates pursuing their CPA designation are preferred.
- Strong communication skills (written and verbal), including experience in conducting research, synthesizing data, writing reports, and preparing presentations. Fluency in French is required for those candidates applying to join our offices in Quebec.
- An aptitude for quantitative and qualitative analysis, such as financial analysis or modeling, market research and analysis, project problem diagnosis, and solution development.
- A great problem-solver, self-starter, and is highly organized.
- Strong interpersonal skills and is able to work as part of a team.
- Willing and able to travel in Canada, as required.

Quebec Location: We require basic English language skills to meet the needs of our clients. In the context of mandates, you could work for clients with activities outside of Quebec and where the first language is English

Citizenship Requirement N/A
