Job Title: Financial Analytics Developer Student

Job ID: 11220

The future you want is within reach.

At PCL, we build the places where life happens and find camaraderie in the process. We're a community of builders committed to building better communities. That's why we're always looking ahead, and not just to the next project or what's next in our industry. We're also looking at what's next for you and how we can help you build a career you're proud of. As a student at PCL, you will get the opportunity for challenging work assignments in a supportive work environment which promotes personal and professional growth.

We are seeking a **Financial Analytics Developer Student** for our **North American Headquarters (NAHQ) in Edmonton, Alberta**, that is available for **8 months** starting in **May 2026**. This position will be under the direct supervisor of the Senior Corporate Analytics Manager.

As a **Financial Analytics Developer Student** and depending on your assigned project, you will have the opportunity to contribute to our team by:

- Participates in business requirement gathering sessions, understands user requirements, and assists in reconciliation of technical and business requirements as they relate to technology solutions.
- Develops use cases that support requirements analysis, functional designs, user acceptance testing, and training material.
- Designs and builds various business intelligence reports, graphs, and dashboards. Designs, builds, and tests solutions to

challenges related to complex data integration.

- Documents design specifications related to business intelligence and financial reporting systems.
- Coordinates the security set up for the financial analytics systems. Identifies opportunities to automate financial processes.
- Ensures strong data governance is applied to financial reporting and business intelligence.

Next Step:

- Please note that candidates who have been selected to move forward to the next stage of the recruitment process will receive an email to complete a short online video interview.

PCL is an innovative, employee-owned company comprised of people who find passion in their profession and take pride in doing great work every day. Our work powers the infrastructure and utilities that are essential to daily life and our projects are the scene of vacations, careers, education and healing. We are consistently ranked among the best companies to work for because we are committed to supporting and developing our teams.

The PCL Companies celebrate diversity and are proud to be an equal opportunity employer. We are committed to creating equitable opportunities and an inclusive environment for all employees and applicants. We make all employment-related decisions without regard to race, color, religion, sex, national origin, sexual orientation, gender identity, age, disability or veteran status.

PCL combines numerous pay and benefit strategies to provide a comprehensive and competitive total rewards package. Any salary range displayed by a job board is an estimate. Your salary, which considers your unique qualifications and experience, is just one component of the robust total rewards you'll enjoy at PCL. This may include an employee share purchase offering, discretionary annual performance bonus, comprehensive benefits and wellness programs, retirement plan plus matching, and career development programs.

Should you require an accommodation during the application process, please contact us at careers@pcl.com with the position and location you are interested in.

Together, we can build success and a better future. Let's get started!
