Job Title: Cloud Engineering Co-op

Job ID: 2601400

Application Deadline: **February 1, 2026**

What you will be doing

Join our CIBC Technology Operations team as a Cloud Engineer Co-Op and have a real impact in making our clients' ambitions a reality! This is a great opportunity to be a part of a team that is helping to drive CIBC's Technology Operations by developing, testing, and delivering easy to use, flexible, and personalized banking solutions. Be part of an innovation-focused team that creates easy, flexible, and personalized banking solutions to enhance client experience and change the way that people bank.

At CIBC we enable the work environment most optimal for you to thrive in your role. Details on your work arrangement (proportion of on-site and remote work) will be discussed at the time of your interview.

Citizenship Requirement	N/A

Application Deadline: **February 1, 2026**

Important information

Please note, we have multiple positions available under this posting and you may be considered by more than one hiring team

• We may ask you to complete an attribute-based assessment and other skills tests (such as simulation, coding, French proficiency, MS Office). Our goal for the application process is to get to know more about you, all that you have to offer, and give you the opportunity to learn more about us.

• You must be currently enrolled in post-secondary education and returning to full-time studies to be eligible. However, you do not need to be in a registered Co-Op program to be considered for a role.

• Please include your resume (no more than 2 pages), a cover letter (no more than 1 page), and your most recent unofficial transcript with your application. These should all be uploaded into the Resume section of the application as one pdf document.

• 4, 8, 12, month opportunities available

Please click the "I intend to apply to this position" button on SCOPE and also submit your application via the employer's website. Applications are accepted on a rolling basis and the posting may be expired at any time by the employer as submissions are received. Students should submit their applications as soon as they are ready.
