Job Summary:

INTERNSHIP DESCRIPTION - SOFTWARE DEVELOPER INTERN

Location: Remote in Canada

Division: Ticketmaster NA - Festivals & GA (Universe)

Line Manager: Lead Software Developer

Internship Terms: Between 8-12-month term with flexible start dates in 2026, working 37.5 hours per week

THE TEAM

Universe is a leader in online ticketing for general admission events. We're constantly innovating with a focus on attractions and exhibits, and are growing our team! We serve some of the biggest names in entertainment across attractions & clubs with operations spanning 15 countries across North America and Europe.

Our global team operates as an independent entity within the larger Ticketmaster/Live Nation family. We set our own roadmap and operate a modern tech stack all with the financial backing and resources of a Fortune 500 company. Free concert tickets are a cool perk too!

THROUGHOUT YOUR TIME WITH US YOU WILL

- Develop software alongside seasoned professionals to tackle real-world technical challenges including writing, debugging and reviewing code changes that directly impact our customers
- Gain exposure to a variety of technical tools; our projects use languages like Javascript/TypeScript/Swift/Kotlin/Ruby, frameworks like React/NextJS/Rails, databases like PostgreSQL/MongoDB and container orchestration platforms like Kubernetes
- Collaborate with stakeholders like Product Managers, UX Designers and QA Developers to scope requirements and deliver solutions
- Receive dedicated mentorship, continuous support, and ongoing feedback to set you up with the skills you need to be successful in this industry

The agreed upon compensation language to include in a job posting is as follows:

The expected compensation for this position in British Columbia is:

\$25.00 CAD per hour.

***Please note that the compensation information provided is a good faith estimate for this position only and is provided pursuant to the British Columbia Pay Transparency Act. It is estimated based on what a successful British Columbia applicant might be paid. It assumes that the successful candidate will be in British Columbia or perform the position from British Columbia. Similar positions located outside of British Columbia will not necessarily receive the same compensation. Live Nation takes into consideration a candidate's education, training, and experience, as well as the position's work location, expected quality and quantity of work, required travel (if any), external market and internal value, including seniority and merit systems, and internal pay alignment when determining the salary level for potential new employees. In compliance with the Pay Transparency Act, a potential new employee's salary history will not be used in compensation decisions.*

LIFE AT UNIVERSE / TICKETMASTER

Ticketmaster is a proud part of Live Nation Entertainment, the world's largest live entertainment company.

Our vision at Ticketmaster is to connect people around the world to the live events they love. As the world's largest ticket marketplace and the leading global provider of enterprise tools and services for the live entertainment business, we are uniquely positioned to successfully deliver on that vision.

Universe is a fast-growing part of Ticketmaster focused on using innovative technology to support all aspects of live events - from museums to festivals. Originally a start-up, we maintain a culture of small teams solving big problems, while enjoying the benefits of being part of a fortune 500 company.

Our work is guided by our values:

Reliability - We understand that fans and clients rely on us to power their live event experiences, and we rely on each other to make it happen.

Teamwork - We believe individual achievement pales in comparison to the level of success that can be achieved by a team.

Integrity - We are committed to the highest moral and ethical standards on behalf of the countless partners and stakeholders we represent.

Belonging - We are committed to building a culture in which all people can be their authentic selves, have an equal voice and opportunities to thrive.

EQUAL OPPORTUNITIES

We are passionate and committed to our people and go beyond the rhetoric of diversity and inclusion. You will be working in an inclusive environment and be encouraged to bring your whole self to work. We will do all that we can to help you successfully balance your work and homelife. As a growing business we will encourage you to develop your professional and personal aspirations, enjoy new experiences, and learn from the talented people you will be working with. It's talent that matters to us and we encourage applications from people irrespective of their gender, race, sexual orientation, religion, age, disability status or caring responsibilities.

Ticketmaster Canada will provide reasonable accommodations for qualified individuals with disabilities in the job application process. If you have difficulty using our online application system and need an accommodation due to a disability, please email accessibilitycanada@ticketmaster.ca. Please note this inbox is limited to accommodation requests. Resumes submitted to this inbox will not be considered.

Job Requirements

YOU WILL PROBABLY BE A GOOD FIT IF YOU

- Are a recent graduate of a technical program that involves programming (Computer Science, math, etc), or have developed

equivalent learning through non-traditional paths

- Possess a deep passion for using technology to solve problems and care intensely about honing your craft
- Have proven ability to communicate and work collaboratively within a team to drive results
- Embody resilience and resourcefulness in rapidly changing environments

Citizenship Requirement N/A
