### **Technology Internship**

30087255

**Apply by November 19th 2025**

**Internship from May 11th to August 21st 2026.**

Dreaming big is in our DNA. It's who we are as a company. It's our culture. It's our heritage. And more than ever, it's our future. A future where we're always looking forward. Always serving up new ways to meet life's moments. A future where we keep dreaming bigger. We look for people with passion, talent, and curiosity, and provide them with the teammates, resources and opportunities to unleash their full potential. The power we create together - when we combine your strengths with ours - is unstoppable. Are you ready to join a team that dreams as big as you do?

### **COMPANY**

Founded over 175 years ago, Labatt is one of Canada's founding businesses and its leading brewer. We are proud of our history and our heritage in Canada, and we remain committed to brewing great-tasting, high-quality beers that have satisfied beer drinkers for generations. Labatt has created exciting experiences with consumers through iconic brands like Budweiser, Bud Light, NÜTRL, Michelob Ultra, Corona, Stella Artois and many more. Through our broad portfolio, we are truly a national brewer, with over 3,600 employees, a portfolio of more than 60 quality beers and beyond, and 10 breweries from coast-to-coast, we are proud to serve Canada and the communities we call home.??

Budweiser, Bud Light, Corona, Stella Artois, CUTWATER, Michelob Ultra, NUTRL, Palm Bay, Mike's, and many more. Sound familiar? This. Is. LABATT.

### **TECHNOLOGY INTERN**

Apply by November 19th 2025

### **What do we offer?**

Our Internship is an intensive 15-week program that attracts the brightest, most driven individuals who can take on challenging projects. You will get the chance to work directly with the team's responsible for bringing beverage brands, such as, Budweiser, Corona, Stella, NÜTRL, Cutwater and more to life!

We are looking for candidates who are committed to developing their careers with Labatt in the future. This internship could lead you to an opportunity to join us after you graduate in a full-time role or one of our Trainee programs!

**Benefits of our Internship Program:**

- One week onboarding to prepare you to be an owner of your summer project!
- Learning & development workshops to build technical and soft skills that will help to unleash your potential.
- Exposure to senior leadership through networking opportunities and a final project presentation.
- Participate in intern-specific events and activities
- Access to exciting swag & on-site pubs

**Technology Intern:**

- Join our Business Services Center (BSC) team to execute activities efficiently and cost-effectively, while ensuring reliable, high-quality service through best practices.
- Gain exposure across multiple functions including Order-to-Cash, Customer Service Management, Logistics, and Account to Report teams as a Solutions Trainee Intern.
- Leverage your analytical skills to build dashboard, improve processes and ultimately make our business more efficient!

**Recruitment Process:**

1. Online Assessment & Phone Screen
2. Interview(s) with business leaders (preferred in person when possible)

**Job Requirements**

**We are looking for candidates who...**

- Take ownership and act with integrity.
- Show curiosity, asks questions, and are eager to learn and improve.
- Think bold, innovative, and challenges the status quo.
- Can simplify problems to find effective solutions.
- Communicates and collaborates effectively with others.

**Requirements:**

- In their 2nd or 3rd year of an Undergraduate Bachelor's degree, studying Engineering, Business, or a related field, and returning to school in September 2026.
- Graduating in December 2026 or later
- Bilingualism is an asset (Required in Quebec)
- Can legally work in Canada
- Of legal drinking age (18+ in AB, MN & QC and 19+ everywhere else)
- Geographical & Functional mobility for your future Full-time position is a requirement - open to experiencing different functions and locations across Canada

<b>Citizenship Requirement</b>	N/A
