Job Title: Co-op IT Support

Job ID: COOPI002999

Application Deadline: **October 3, 2025**

The estimated range is the budgeted amount for this position. Final offers are based on various factors, including skill set, experience, location, qualifications and other job-related reasons.

Job Details

Description

Our Marine organization is a trusted provider of innovative solutions for the worldwide boating and boat building industry, and we recently expanded our scope to lead the boating industry into an electrified future. Dometic has won numerous NMMA Innovation Awards over the years, and we are always striving for new ways to make boating easier, safer, and more enjoyable.

We are on a journey of continuous growth - now looking for our next star - a passionate **Co-op IT Support**. This position reports to IT - Director and will work in Vancouver, B.C.

****Please note that this position is open to current students enrolled in a Canadian accredited university and co-op program.**

Vancouver:

Dometic Marine's headquarters are in Vancouver, British Columbia in Canada. The facility develops and manufactures hydraulic,

electronic, and combustion-based products.

As **Co-op IT Support** on the Vancouver team, you will be involved in a wide variety of tasks supporting administrative, engineering, and technical staff throughout the facility.

General Responsibilities

- Assist Senior Systems Administrator, IT Support Specialist, and Developer with documentation
- Assist with inventory and computer deployments
- Support actions that require a high level of confidentiality, attention to detail, and accuracy.
- Other projects and assignments as assigned

Here is what our previous students has told us as to why they liked their co-op terms:

- Wide variety of tasks - usually 2-3 projects on the go at a time
- Great supervision and mentorship but also get to work independently - guidance-based leadership and self-directed learning
- On-hands experience at a global manufacturing organization
- Supportive administrative, engineering, and technical staff throughout the facility
- Great comradery among the co-op students

What do we offer?

You are offered an interesting role in a dynamic, fast paced and global environment with great opportunities to grow, evolve with the company and take on new challenges.

- Statutory Holidays
- Free on-site parking
- Company events
- Opportunities to make an impact

Dometic's Core Values

To thrive and succeed in this role, you understand the importance of our core values - Together We build our future, We play to win, We embrace change and We walk the talk; these values reflect the heart and soul of Dometic and they define what it takes to work here and how we do things.

Are you our next star? Then we would love to see your application.

Dometic is passionate about building together an inclusive and equitable working environment, that respects individual strengths, views, and experiences. We believe that diversity enables us to thrive across our differences. Be yourself and join us!

Dometic is proud to be an equal opportunity employer. Dometic evaluates qualified applicants without regard to race, color, religion, age, gender, national origin, disability status, protected veteran status, sexual orientation, gender identity or expression, or any other characteristic protected by federal, state, or local laws.

Salary range: \$20 - \$24 CAD per hour

Job Requirements

Skills & Requirements

- Must be enrolled in a Computing & IT certificate/diploma/degree or an equivalent.
- Able to lift up to 50 lbs
- Solid problem solving and decision-making abilities.
- General proficiency with MS office programs including: Word, Excel, Outlook, PowerPoint, and Teams.
- Excellent verbal and written communication skills.
- Ability to work well independently and collectively as part of a team.

To be successful in this role, we believe that you possess the following skills, competencies & characteristics:

- Well-developed organizational skills with the ability to manage a variety of tasks.
- Professional demeanor whether in person, via email or on the telephone.
- Excellent verbal and written communication skills in English.
- Ability to work well independently and as part of a strong team.

Citizenship Requirement N/A
