<b>Job Description</b>	

#### **See it differently**

You see the world through a unique lens and that's exactly what we need. We embrace how you see things differently - it's essential for creating a sustainable future.

Arup is a global consultancy with advisory and technical expertise across more than 150 disciplines. We guide, plan and design the future of the built environment. Globally, each year we recruit hundreds of interns to help us see things differently and solve the most complex challenges facing our clients, climate and communities.

We are seeking a highly motivated FP&A Intern / Co-op to join our Americas Region Financial Planning & Analysis team. This internship offers hands-on experience in financial reporting, forecasting, and business planning. As part of the team, you will contribute to meaningful financial projects, develop analytical skills, and gain exposure to how financial insights support strategic decision-making across a global organization.

#### **The Opportunity**

- Assist in preparing and analyzing monthly financial reports across regions, business units, markets, ventures etc.
- Support quarterly and annual forecasting and budgeting, including data gathering, maintaining financial models, performing variance analysis, and consolidating results.
- Interpret financial information to support compliance and/or audit filings.
- Conduct market and industry research to provide insights for financial planning and business case development.
- Identify opportunities to improve efficiency in reporting, data processes, and analysis.
- Contribute to special projects and ad-hoc analysis, gaining broad exposure to FP&A activities.
- Hands-on experience in financial planning and analysis in a dynamic business environment.
- Exposure to forecasting, budgeting, and variance analysis used by senior management.

- Development of financial modeling, reporting, and data analysis skills.
- Insight into how financial insights drive strategic and operational decisions.
- Opportunities to collaborate with dynamic Americas Region FP&A and Finance team members.

### **Job Requirements**

#### **Is this role right for you?**

- Currently pursuing a Bachelor's Degree in Accounting, Finance, Economics, Mathematics, or a related field.
- Proficiency in Microsoft Office tools with strong Excel skills; experience in Power BI is an asset
- Strong analytical and problem-solving skills with attention to detail.
- Ability to work with data accurately and efficiently.
- Good communication and interpersonal skills for effective teamwork.
- Strong organization and time management skills to handle multiple priorities.
- Motivated, proactive, and eager to learn in a fast-paced environment.
- Must be eligible to work in Canada without employer-sponsored work authorization.

#### **We're looking for:**

- Changemakers: A passion for sustainable development and creating a better world is key.
- Innovative minds: We're looking for critical thinkers who embrace new ideas and challenge the status quo.
- Growth seekers: You have a growth mindset, always eager to learn and explore new ways of working.
- Adaptable adventurers: You're ready to take on any challenge that comes your way.

**Citizenship Requirement**                    N/A
