Job Title: Cloud Platform Engineer (Co-op) - Fall Term

About League

Founded in 2014, and with a total funding currently at \$220 million; League is a platform technology company powering next-generation healthcare consumer experiences. Payers, providers, consumer health partners and employers build on League's platform to deliver high-engagement, personalized healthcare experiences consumers love. Millions of people use solutions powered by League to access, navigate and pay for care.

Explore the Power of the Cloud!

Dive into the world of cloud computing and contribute to the development and maintenance of our cloud infrastructure. You'll learn about cloud platforms (like GCP or AWS), automation tools, and infrastructure-as-code. Participate in deploying and managing applications, improving security posture, monitoring system performance, and working with containerization technologies. This co-op offers a unique opportunity to gain practical skills in a dynamic and in-demand area.

Citizenship Requirement	N/A

Our Application Process:

Applying to a role you love can be exhausting, and understanding the next steps can feel vague and uncertain. You have done the hard part of submitting your application; let's do ours by sharing potential next steps

- You should receive a confirmation email after submitting your application.
- A recruiter (not a computer) reviews all applications at League.
- If we see alignment with League's needs, a recruiter will reach out to learn more about your goals. The recruiter will also share the team-specific interview process depending on the roles you are exploring.
- The final step is an offer, which we hope you will accept!
- Prior to joining us, we conduct reference and background checks. Additional checks could be required for US Candidates, depending on the role you are exploring.

Please click the "I intend to apply to this position" button on SCOPE and also submit your application via the employer's website. Applications are accepted on a rolling basis and the posting may be expired at any time by the employer as submissions are received. Students should submit their applications as soon as they are ready.
