<b>Job Description</b>	

and reliable solutions that help people protect what matters most to them. Our team is dedicated to delivering products that exceed our customers' expectations, while always ensuring everyone deserves to feel safe and secure, whether they're at home or away, and we're committed to providing our customers with the peace of mind they need to live their lives to the fullest. We're looking for a Software Test Engineer to join our team in Richmond, BC, Canada. This position will be responsible for performing software testing on Arlo's products, including cameras, routers, and access points. The ideal candidate will have experience in software testing, a strong understanding of customer requirements, and a passion for quality and reliability. This is a full-time, permanent position starting in May 2026 to May 2027.

In this role, you will be responsible for performing software testing on Arlo's products, including cameras, routers, and access points. You will work closely with the Software Development Team to ensure that all software releases meet the highest standards of quality and reliability.

Transcript

We will only be accepting applicants from students currently registered in a co-op program with the University of British Columbia, Simon Fraser University or the University of Victoria. Applicants must be eligible to work in Canada.

The pay range for this position reflects the minimum and maximum target for new hire salaries at commencement of employment and is expected to be between CAD\$3,700 - \$4,000/month. However, base pay offered may vary depending on multiple factors, including role, job-related knowledge, skills, relevant education and experience.

We're committed to inclusivity and selecting the strongest candidate-no matter their background. Even if you don't meet every listed qualification, we encourage you to apply. We're happy to support growth in areas essential to the role. Interested in learning more about our workplace? Visit and follow our LinkedIn, and Glassdoor page to read employee insights and get updates of what it's like to be part of Arlo.

We are proud to be an Equal Opportunity Employer. We do not discriminate based on Indigenous identity, race, colour, ancestry, place of origin, political belief, religion, marital status, family status, physical or mental disability, sex, sexual orientation, gender identity or expression, or age, or any other legally protected status in all hiring and employment. All qualified applicants will receive consideration for employment without regard to any of these factors.

**Citizenship Requirement**                    N/A
