About Super.com

We started Super.com to help maximize lives-both the lives of our customers and the lives of our employees- so that everyone can experience all that life has to offer. For our employees, our promise is that Super.com is more than just a job; it's an opportunity to unlock one's potential, where learning is celebrated and impact is realized.

We are more than a fast-paced, high-growth tech company; we care about our people and take career progression seriously. This is your career and our aim is to supercharge it through the people, the work, and the programs that fuel who we are.

About this Role

This is a great opportunity to gain meaningful, hands-on experience in fraud operations through the Winter 2026 term. As a part of the broader Strategic Operations team, you will learn how the business works and have a direct impact on the customer experience. There will be opportunities to assist special projects. This internship is a good fit for a student with foundational business knowledge, excellent attention to detail, and a passion for working with people!

Challenges You'll Solve

- Review customer accounts in order to compile compelling evidence for customer disputes
- Assess data to gather insights on customer behavior and identify opportunities
- Monitor Fraud Dashboards to ensure we're being proactive in our fraud mitigation efforts
- Opportunity to participate in special projects related to fraud and chargebacks

We've got you covered

- Compensation: we pay our Interns top-of-market
- \$300 One-time home office set up allowance
- \$25/Week UberEats allowance on Fridays
- \$300/Term Learning and Development allowance
- \$120/ Term Fitness/Wellness allowance
- Top Talent: work with the best in the world, including Engineers and Leadership from Google, Facebook, Wish, YouTube, Uber and more
- Build Something Great: most importantly, build a product used by millions around the world - have ownership, have impact, and do great work

\$23.50 - \$29 an hour Compensation for this internship will be determined based on the number of prior work terms or internships you have successfully completed, in alignment with our intern pay structure.
