#### **Our Purpose**

At Deloitte, our Purpose is to make an impact that matters. We exist to inspire and help our people, organizations, communities, and countries to thrive by building a better future. Our work underpins a prosperous society where people can find meaning and opportunity. It builds consumer and business confidence, empowers organizations to find imaginative ways of deploying capital, enables fair, trusted, and functioning social and economic institutions, and allows our friends, families, and communities to enjoy the quality of life that comes with a sustainable future. And as the largest 100% Canadian-owned and operated professional services firm in our country, we are proud to work alongside our clients to make a positive impact for all Canadians.

By living our Purpose, we will make an impact that matters.

--

The advisory landscape is quickly evolving and becoming increasingly ripe for client delivery innovation. Our team needs individuals who will help provide support and bring innovative perspectives to address our client delivery team needs

across the organization. Are you ready for the challenge?

## What will your typical day look like?

As an Intern in Strategy, Risk & Transactions, Innovation Centre of Excellence, you could be involved in any aspect of the innovation delivery lifecycle which might include early sensing for opportunities, developing innovation strategies / cases for change for our businesses and supporting delivery for our business partners. You may also need to support internal operations (e.g., Technology Asset Management, Knowledge Management). The Strategy, Risk & Transactions, Innovation COE is the central authority for delivering service management solutions for various offerings including Strategy & Business Design, Infrastructure & Real Estate, Mergers & Acquisitions, Regulatory & Financial Risk, Forensic & Financial Crime, Nation Building, Economics, and Sustainability & Climate. Generative AI (GenAI) has been a key enabler of recent and upcoming initiatives.

As an intern on our team, you will:

- Understand our purpose and values; explore opportunities for impact
- Demonstrate a strong commitment to personal learning and development
- Understand expectations and demonstrate personal accountability for keeping performance on-track
- Actively focus on developing effective communication and relationship-building skills
- Understand how your daily work contributes to the priorities of the team, the business, and the firm

## About the team

Our Strategy, Risk & Transactions Innovation Centre of Excellence team aims to catalyze the next generation of business and bring exponential value to our clients and internal teams through innovation & technology in prioritized areas of growth. We place a dedicated focus on driving the discovery of new and transformational value-generating business opportunities, designing new solutions and developing tools/processes to enable our teams to deliver solutions to clients in repeatable ways.

### Job Requirements
