Job Title: Software Development Intern - Fall 2025

Job ID: JR0133412

McKesson is an impact-driven, Fortune 10 company that touches virtually every aspect of healthcare. We are known for delivering insights, products, and services that make quality care more accessible and affordable. Here, we focus on the health, happiness, and well-being of you and those we serve - we care.

What you do at McKesson matters. We foster a culture where you can grow, make an impact, and are empowered to bring new ideas. Together, we thrive as we shape the future of health for patients, our communities, and our people. If you want to be part of tomorrow's health today, we want to hear from you.

Program Overview

McKesson's Intern program is designed to provide:

- A real-life working environment
- A solid foundation of experience and hopeful offer of full-time employment
- A cohort experience with other interns
- Consistent senior leadership exposure and learning experiences.

We are looking for candidates who have:

- Willingness to learn, develop, and contribute to a fun, demanding, fast-paced environment.
- Self-starter that brings both interpersonal skills abilities to identify a problem then solve it.
- Passion and enthusiasm for healthcare and our customers' success

Work Term: Fall 2025; September 2nd through December 19th

Location: Mississauga, ON, CAN - 2300 Meadowvale Blvd (Hybrid)

Job Summary:

Join our team as a Software Development Intern focused on QA automation. You'll work on improving testing using AI tools to ensure high-quality software. Perfect for those passionate about transforming development with AI.

Key Responsibilities:

- **Evaluate AI Tools:** Work with senior developers to explore AI for QA automation.
- **Automate Testing:** Help design and maintain automated test scripts with AI.
- **Improve Coverage:** Use AI to enhance test coverage and find testing gaps.
- **Analyze Data:** Assist in analyzing test results and preparing reports.
- **Problem Solving:** Participate in brainstorming to improve testing.
- **Framework Improvement:** Help refine and strengthen test automation frameworks.

We are proud to offer a competitive compensation package at McKesson as part of our Total Rewards. This is determined by several factors, including performance, experience and skills, equity, regular job market evaluations, and geographical markets. The pay range shown below is aligned with McKesson's pay philosophy, and pay will always be compliant with any applicable regulations. In addition to base pay, other compensation, such as an annual bonus or long-term incentive opportunities may be offered. For more information regarding benefits at McKesson, please click [here](#).

Our Base Pay Range for this position

\$17.69 - \$27.74

McKesson is an Equal Opportunity Employer
