Position Type	Co-op Position
Job Location	Richmond, BC
Country	Canada
Duration	4 or 8 months
Work Mode	To be confirmed
Salary Currency	CAD
Salary	20.0 per hour for 40 Major List
Job Description	
Duration: 4-8 months	

As a Software Developer at Brock Solutions, you will get the opportunity to explore the newest technologies, designs, platforms, and programming concepts. Innovative ideas are encouraged and used throughout the lifecycle of our applications.

If you're a technology-driven co-op student looking to begin your journey in the world of automation engineering, then Brock Solutions is the place for you!

Employee-owned company with profit sharing, comprehensive benefits, company events and charitable initiatives, a diverse workplace, BBQs and Lunch & Learns, Sport teams, Group fitness initiatives, and a "Work hard, Play hard" culture are just some of the reasons our employees love working at Brock!

Why Choose Brock?

- Hands-on experience in the automation and electrical fields
- Collaborative team atmosphere and friendly work environments
- Mentors who are willing to share years of experience in the field
- Sports and social events

Job Responsibilities:

- Designing, developing and maintaining multiple applications and services
- Developing reporting capabilities
- Detecting, reporting, investigating, and fixing defects
- Conferencing directly with clients on project specifications
- Performing other duties as assigned by your Project Manager

Job Requirements

- Experience with C#, C++, Java, ASP.NET, SQL
- Experience developing and debugging in Microsoft IDEs
- Have a strong desire and the ability to learn and use new technology
- Excellent communication skills, both verbal and written
- Ability to break down problems and solve efficiently
- Working towards a Degree or Diploma in Mechatronics, Systems Engineering, Software Engineering, Computer Science or related field

Brock Solutions strives to create a respectful, accessible and inclusive work environment. Upon individual request, Brock Solutions will endeavour to remove barriers to the hiring process to accommodate those candidates with disabilities.

Citizenship Requirement N/A
