**Job Title:** Quality Assurance Operations Co-op (Hybrid) - May 2026

**Job ID:** Req #474

**Term:** May 2026

**Duration:** 4 or 8 months

**Openings:** 1 position

**Salary Range:** \$3,650 - \$4,525 CAD per month

**Application Deadline:** **January 19, 2026**

### Your opportunity

By joining the Kardium team, you can help make a difference in the lives of millions around the world. We have developed a ground-breaking medical device for the diagnosis and treatment of the most common heart rhythm disorder, atrial fibrillation - which can cause stroke, heart failure, and other heart-related complications.

Kardium's mission is to deliver the best treatment for atrial fibrillation. To achieve this, we have developed The Globe® Pulsed Field System - we have a fantastic technical team that has developed a product with strong, unique, and customer-valued differentiators versus other solutions on the market. We have built connections with key opinion leaders who are already using the Globe System and are helping to tell our story.

We have obtained FDA approval and officially begun the commercial launch of the Globe® Pulsed Field System. This is a pivotal

and exciting time in our journey, as we bring this life-changing technology to patients!

#### **What you'll be doing**

You will engage in activities that develop practical and transferable skills such as:

- Collaborate with Manufacturing and Engineering teams to enhance QMS capabilities and promote a culture of quality.
- Coordinate the collection of information and the preparation of quality documentation.
- Assist in tracking and analyzing trends in productivity, timeliness, and quality metrics.
- Develop training materials related to the new ERP system for the QA Ops team.
- Support various quality and operations tasks as needed.

#### **Why work at Kardium?**

A meaningful Co-op/Intern term experience, working with truly innovative technology and an ambitious team, combined with:

**Making a Difference:** Knowing every day that you are making a difference in people's lives by helping treat a condition that debilitates millions worldwide.

**Meaningful Work:** Gain hands on experience working on projects that make an impact, giving you valuable experience to kickstart your career.

**Team Bonding Events:** Connect with peers (of 30+ Co-ops) and participate in fun team activities, social events, and monthly Co-op events.

**Development & Growth:** Collaborating with engaged leaders and multi-disciplinary teams who are committed to your success by mentoring and supporting your development and growth.

**Innovative Projects:** Be part of cutting-edge projects where you can share your ideas and learn new skills in a fast-paced environment.

#### **Life at Kardium**

What makes us a great place to work?

1. Our Purpose
2. Our People
3. Our Culture

At Kardium, we embrace diversity of background, experience, and perspective and we're committed to inclusion and equity at every level. We encourage applications from all qualified candidates who represent the full diversity of all communities.

We collaborate with Employee Resource Groups (ERGs), as volunteer-led groups who share a common dimension of diversity and come together to provide support, education, and other opportunities across Kardium. Examples of our ERGs include Women ERG, Pride ERG, Race Ethnicity & Cultural Heritage (REACH) ERG, Truth & Reconciliation ERG, Persian Community ERG, Chinese ERG, Barangay Kardium (Filipino) ERG, Brazilian ERG and Irish ERG.

As part of your application, we encourage you to note if you require an accommodation for the recruitment process (including alternate formats of materials, accessible meeting rooms or other accommodations). There will be an optional section in the application form where you can provide this information to the recruitment team.

And our employees think we are great too - check out Glassdoor to learn more!

#### **Job Requirements**

##### **What you bring to the team**

Our Kardium team is smart, creative, and passionate about creating cutting-edge medical devices to help improve people's lives.

We work within a collaborative environment based on trust and respect. And we understand that only by working together can we solve the unsolvable.

You will be successful in this role because you possess these attributes:

- High level of attention to detail
- Strong analytical and problem-solving skills
- Excellent written and verbal communication skills
- Proficiency with Microsoft Office Suite
- Enthusiasm toward finding solutions to unforeseen challenges
- A history of success working in a team setting
- Enrollment in post-secondary program related Science or Engineering

**Citizenship Requirement** N/A
