Job Title: Technical Operations and Software Platforms Co-op

Employment Type: Co-op Student

Location: North Vancouver

Hours of Work: 7.5 hr Day Shift (5 days M-F), hybrid: min 2 days a week in office, 3 days remote

Pay: \$34.23 per hour, + 11.2% in lieu of vacation and stat

Duration: 4 months with options to renew

ICBC is searching for a motivated student who is intrigued by all things technical. Our co-op opportunity will provide practical, hands-on experience in one of the largest IT shops within British Columbia. This is your opportunity to gain exposure to complex enterprise level technology and software platforms. Our teams support over 650 applications from COTS ERP systems to home-grown specialty applications.

Position highlights

We have an opportunity for a Co-op with technical interests to join one of our Technical Operations or Software Platforms team and help support our clients across the province. This team supports a number of different infrastructures and software platforms.

You will be in the centre of an operational department assisting in sustaining our platforms in support of business change. This work will help you gain experience in:

- Systems administration and technical support
- Incident response and resolution
- Level 2 problem and root cause analysis
- Scripting and automating maintenance tasks
- Consulting with application development teams
- Technical implementation and delivery
- Analysis and automation of operational and project processes
- System monitoring and enhancements

Job Requirements

Position requirements

Experience in the following technical skills would be an asset:

- Databases (SQL Server, Oracle)
- Data Science (Hadoop, Python, R)
- Scripting technologies (e.g., PowerShell) or programming skills (Java or .Net)
- Directory services (LDAP, AD)
- Windows 7/10, Windows Server 2012
- Linux (RedHat)
- Automation technologies (Ansible, Jenkins, SVN, SCCM)
- Monitoring technologies (Splunk, Nagios, SCOM, Opnet)
- Directory services (AD, LDAP) and Group Policy (GPO)
- Knowledge of Hybrid Cloud Platforms and multi-site operational support (e.g. Microsoft Azure and M365)

The following basic skills will be required:

- Organized and delivery focused
- Good communication - written and verbal
- Understanding basic business processes and IT processes and functions (e.g., network, server, databases, storage, access management, patching, etc.)
- Great attention to detail
- IT-related education
- Self-motivated
- Able to work with minimal supervision

Citizenship Requirement N/A

Position Start Date September 01, 2025 12:00 AM

Position End Date December 19, 2025 12:00 AM

Address Cover Letter to Deepika Bombhi

Special Application Instructions

Please submit resume, cover letter, unofficial transcript, and requested PDF document (see below).

Please submit an additional PDF document answering the questions below:

1) "Persons with disabilities" means persons who have a long-term or recurring physical, mental, sensory, psychiatric, or learning impairment, and who a) consider themselves to be disadvantaged in employment by reason of that impairment, or b) believe that an employer or potential employer is likely to consider them to be disadvantaged in employment by reason of that impairment, and

includes persons whose functional limitations owing to their impairment have been accommodated in their current job or workplace. Examples of what is considered a disability include, but are not limited to, the following impairments or issues relating to: Coordination or dexterity (difficulty using hands or arms); Mobility (difficulty moving around and may include severe back problems); Non-visible, physical conditions such as: heart problems, chronic pain, diabetes, epilepsy, asthma, glaucoma, and lupus; Hearing and visual; Speech, such as muteness; and difficulty speaking and being understood; Learning, such as: Dyslexia; Mental or psychiatric such as: depression and burn-out; A disability for which the employer provided an accommodation.

Based on this definition, do you identify as a person with a disability?

Yes or No

We welcome applications from all qualified job seekers. If you are a job seeker with a disability, please let us know below what adjustments can be made to help support you in delivering your best performance:

2) Do you self-identify as Indigenous (First Nations, Inuit or Metis) as permitted under Paragraph 42 of the BC Human Rights Code?

Yes or No

3) Please clarify your eligibility to work in Canada. If you are on a visa, specify the type, any associated restrictions, and the visa expiry date:

4) We require all students to return to their studies and complete at least one academic term following the conclusion of their co-op. Will you be meeting this requirement if you are hired for this position?

Yes or No

If this doesn't apply to you, please explain:

5) What is your expected program completion date:
