<b>Job Description</b>	

#### **Location**

This is a hybrid position. You must be in the Ottawa, Canada office, at least three days a week.

### **About the team**

Kinaxis is looking for a talented candidate to work within the Core Algorithms team. The team is responsible for developing various algorithms to solve supply chain management problems. The uniqueness of the team is that it performs at the intersection of technology and real business problems. You will contribute to the product that delights customers world-wide! If you are someone that has a passion for technology and are looking for an opportunity to learn and grow-this challenge is for you.

**This is a full-time, 4 or 8-month position, starting September 2025.**

**To be eligible for a Co-op or Intern position at Kinaxis, you must either be currently enrolled in full-time education or, if you are a recent/upcoming graduate, your graduation date must be within 12 months of the placement end date.**

### **What you will do**

- Work together with senior developers on feature development and bug fixes
- Maintain and develop tools for testing and debugging
- Collaborate and work closely with your team members
- May perform additional projects upon request

### **Job Requirements**

## **What we are looking for**

- Completion of 1st year of studies in a Computer Science (or equivalent) program
- C++ programming experience
- Desire to enhance your skills in Object-Oriented Design
- Very strong technical aptitude, with a preference for algorithms, data structures
- Insatiable drive for improving performance - you want to do it fast and right!
- Good collaborative skills and positive attitude
- Strong initiative and drive to get things done

We're accepting applications now through end of day on Tuesday, May 20, 2025. Please note that we may begin reviewing applications before the posting closes, so early submission is encouraged.

**Citizenship Requirement**                    N/A

## **APPLICATION INFORMATION**

**Application Procedure**                    Through Employer Website

### **Special Application Instructions**

**Please click the "I intend to apply to this position" button on SCOPE and also submit your application via the employer's website.**
