<b>Job Description</b>	

23618

**Position:** Service Router Platform Test Dev Student

**Number of Position(s):** 5

**Duration:** 4+ Months

**Date:** Jan. 5th - April 24, 2026

**Location:** On-site

### **HOW YOU WILL CONTRIBUTE AND WHAT YOU WILL LEARN**

**As a part of our team, you will:**

- Contribute as an integral member to one of the following IP Routing Platform Test sub-teams: Ethernet, Optics, Fabric, Sync/Timing, Firmware, Operating System, Secure Trust, Cflowd, or SAS/IXR Satellites.
- Develop automated test cases to validate new hardware and software features for innovative network infrastructure technology using a Linux-based regression environment.
- Receive quality one-on-one engineering mentorship while learning and using network protocols to configure high-capacity routers within the 7750 Service Router, 7250 Interconnect Router, and 7330 SXR product families.
- Perform testing on cutting-edge platform features and prototype hardware, which may include router line cards, media adapters, etc.
- Work closely with testers and developers to identify, report, and resolve software and hardware defects.

## **About Us**

### **Come create the technology that helps the world act together**

Nokia is committed to innovation and technology leadership across mobile, fixed and cloud networks. Your career here will have a positive impact on people's lives and will help us build the capabilities needed for a more productive, sustainable, and inclusive world.

We challenge ourselves to create an inclusive way of working where we are open to new ideas, empowered to take risks and fearless to bring our authentic selves to work

## **What we offer**

Nokia offers continuous learning opportunities, well-being programs to support you mentally and physically, opportunities to join and get supported by employee resource groups, mentoring programs and highly diverse teams with an inclusive culture where people thrive and are empowered.

### **Nokia is committed to inclusion and is an equal opportunity employer**

Nokia has received the following recognitions for its commitment to inclusion & equality:

- One of the World's Most Ethical Companies by Ethisphere
- Gender-Equality Index by Bloomberg
- Workplace Pride Global Benchmark

At Nokia, we act inclusively and respect the uniqueness of people. Nokia's employment decisions are made regardless of race, color, national or ethnic origin, religion, gender, sexual orientation, gender identity or expression, age, marital status, disability, protected veteran status or other characteristics protected by law. We are committed to a culture of inclusion built upon our core value of respect.

Join us and be part of a company where you will feel included and empowered to succeed.
