- Coordinate projects with other team members, other business units and carriers!?
- Increase efficiency by contributing to the improvement of standardized processes and tools.??
- Participate in team projects and activities which drive innovation, improved client value and business results.?

How this opportunity is different

This is an exciting opportunity for students to learn, contribute, and gain real-world work experience in a collaborative environment. Interns have the opportunity to learn more about Aon's culture and business while developing the practical skills necessary for future success and graduate school opportunities. The program provides interns with an understanding of working in an environment that is dedicated to exceeding client expectations and providing distinct products and services for unique client needs.

How we support our colleagues

In addition to our comprehensive benefits package, we encourage an inclusive workforce. Plus, our agile environment allows you to manage your wellbeing and work/life balance, ensuring you can be your best self at Aon. Furthermore, all colleagues enjoy two "Global Wellbeing Days" each year, encouraging you to take time to focus on yourself. We offer a variety of working style solutions for our colleagues as well.

Our continuous learning culture inspires and equips you to learn, share and grow, helping you achieve your fullest potential. As a result, at Aon, you are more connected, more relevant, and more valued.

Aon values an innovative and inclusive workplace where all colleagues feel empowered to be their authentic selves. Aon is proud to be an equal opportunity workplace.

We are committed to providing equal employment opportunities and fostering an inclusive workplace. If you require accommodations during the application or interview process, please let us know.
