Job Title: AI Security Engineer Co-op

Job ID: 2601680

Application Deadline: **February 1, 2026**

What you'll be doing

Join our CIBC Technology Operations team as an AI Security Engineer Co-op, and have a real impact in making our clients' ambitions a reality! This is a great opportunity to be a part of an innovation-focused team that is helping to drive CIBC's digital transformation by supporting the design and implementation of large-scale technology projects and initiatives. In this role you will partner with professionals to deploy infrastructure services to help protect the bank. You will help with designing, building, implementing, and leveraging tools to protect the bank.??As an AI Security Engineer Co-op, you will use your development skills to support the team in gathering requirements, implementing designs, and providing real world solutions. You will ideate and collaborate with a diverse team to create and build flexible, innovative solutions that deliver a best-in-class client experience. Join our team and stretch your communications and evaluation skills to help enhance the banking experience for the modern world.

At CIBC we enable the work environment most optimal for you to thrive in your role. Details on your work arrangement (proportion of on-site and remote work) will be discussed at the time of your interview

Citizenship Requirement	N/A

Application Deadline: **February 1, 2026**

Important information

- We may ask you to complete an attribute-based assessment and other skills tests (such as simulation, coding, French proficiency, MS Office). Our goal for the application process is to get to know more about you, all that you have to offer, and give you the opportunity to learn more about us.

- You must be currently enrolled in post-secondary education and returning to full-time studies to be eligible. However, you do not need to be in a registered Co-op program to be considered for a role.

- Recruitment timeline: Applications review - January; Interviews - February; Offers - March

- Please include your resume (no more than 2 pages), a cover letter (no more than 1 page), and your most recent unofficial transcript with your application. These should all be uploaded into the Resume section of the application as one pdf document

- This is a 12 month opportunity

Please click the "I intend to apply to this position" button on SCOPE and also submit your application via the employer's website. Applications are accepted on a rolling basis and the posting may be expired at any time by the employer as submissions are received. Students should submit their applications as soon as they are ready.
